

WELCOME TO THE CONGRESS

losing Golden Jubilee Celebrations of St. Paul

First Day in Congress

Thousands of Pilgrims From Forty Parishes

The Town of St. Paul will play host to thousands of pilgrims pouring in not only from the Diocese of St. Paul, but also from other dioceses, to attend the first diocesan Eucharistic Congress to be held in town on July 8, 9 and 10th.

This gathering of the faithful from first and last areas of the metropolitan region is the first of its kind in the history of the diocese. It is a unique opportunity for the faithful to meet and hear from the highest levels of the Church hierarchy. The congress is intended to be a time of spiritual renewal and a reaffirmation of faith in the sacrament of the Holy Eucharist.

The diocesan objectives which every Eucharistic Congress, at whatever level, it may be organized, aims to achieve may be summarized as the proclamation of Christ's social teachings, the renewal of the sacramental life of the Church, the promotion of the Eucharist, and lastly a political statement for the sake of mankind and especially for the poor, the oppressed, and the oppressed.

Eucharistic Congress, a popular act of faith in Christ's social teachings. In our present modern times where the rights of man are being trampled upon, it is a vital statement for the sake of mankind and especially for the poor, the oppressed, and the oppressed. This gathering, which is a unique opportunity for the faithful to meet and hear from the highest levels of the Church hierarchy, is intended to be a time of spiritual renewal and a reaffirmation of faith in the sacrament of the Holy Eucharist.

Eucharistic Congress

In the winter of last year (1958) a group of St. Paul citizens met to discuss the possibility of celebrating the Eucharistic Congress in St. Paul. The group was led by Rev. Fr. Thierien, pastor of St. Paul's.

Normally it should have been completed by the end of the year, but due to the fact that the Eucharistic Congress of the church functions would have been held in St. Paul, the group was unable to complete its work.

It was decided to celebrate the Golden Jubilee through the year 1959 (the year April 18, 1960 which marks the anniversary and centenary of the year 1900 when St. Paul was founded).

Golden Jubilee Booklet

For the past year we have been working on a booklet to commemorate the Golden Jubilee of St. Paul. The booklet is now ready for distribution.

It contains many interesting facts about the history of St. Paul and the role of the church in the community.

Voluntary Medical Insurance

Most people now recognize that high standards of medical care should be available to all and that the government has a responsibility to ensure this.

Voluntary medical insurance is a way for individuals to supplement the government's efforts.

History Of St. Paul From The Memoirs, Fr. Thierien

By REV. FR. THIÉRIEN, Founder of St. Paul

As we close the Golden Jubilee celebration of St. Paul, the Eucharistic Congress, Fr. Thierien, founder of St. Paul, reflects on the history of the city.

St. Paul was founded in 1900, a time of great optimism and growth. The city was built on the banks of the Red River, and its future seemed bright.

In 1901 I was celebrating the centenary of the C.P.R. line, which was the first railway to cross the Canadian continent. It was a great achievement, and it marked the beginning of a new era for the city.

The C.P.R. line brought St. Paul into the world, and it allowed the city to grow and develop. It was a time of great change and progress.

It was in this time that St. Paul was founded. The city was built on the banks of the Red River, and its future seemed bright. It was a time of great optimism and growth.

The city was founded by a group of men who believed in the future of the West. They saw the potential of the land, and they wanted to build a city that would be a center of commerce and industry.

Cost Of The Pope's "Fishers Of Men" Presented At Congress

The members of the papal "Fishers of Men" group, who arrived in St. Paul and St. Paul's Cathedral on the morning of July 13, 1960, are shown in the photo above. The group is composed of men from various countries, including Italy, France, and the United States. They are standing in a line, facing the camera, with a large crowd of people visible in the background.

Canadian Economy Gains

All sectors of the Canadian economy except agriculture showed an upturn in the second quarter of 1980, says the current Commercial Letter published by The Canadian Bank of Commerce. The value of the agricultural output in 1980 was little changed from that of the beginning of the decade, but certain other industries—mainly mining and oil—continued to show relative increases in factors in the nation's economy.

The growth of output in various sectors has not necessarily been followed by growth in employment. The unemployment rate has risen to 10.5 per cent, but not been accompanied by increased unemployment.

Under the heading "Long Run Shifts in the Canadian Economy", the letter analyses changes in the patterns of industry through three decades, the last of which began in 1950. It says that the volume of output increased by 30 per cent, volume out-

put doubled and real personal income rose by about a third.

In a second article, "The Time of the Machine", the letter traces a changing pattern in the built-up economy. The value of the agricultural output in 1980 was little changed from that of the beginning of the decade, but certain other industries—mainly mining and oil—continued to show relative increases in factors in the nation's economy.

High Premium No Asset

It is probably the relative absence of any external borrowing that has had most to do with the lower premium on the Canadian dollar since March and, to the same token, the few large sales in recent weeks. The dollar's value has risen to a level of relative stability, but the U.S. government debt abroad is to remain the competitive status of Canadian exports in foreign markets, to encourage imports and the point of recession, to the detriment of employment opportunities in Canada, and to improve seriously the Canadian trade balance.

So says the Bank of Montreal Bulletin, Review for June, in a brief and informative article on "Canadian Dollar Decline". Pointing out that the high premium on the Canadian dollar, which began in the U.S. until recently, reflects the growth of

debt by provincial and municipal governments—indeed that in very large measure, it is in the U.S. dollar.

A premium on the Canadian dollar is no excuse for pride. The few large sales in recent weeks have gone far to explain the current relative stability of the dollar. The U.S. government debt abroad is to remain the competitive status of Canadian exports in foreign markets, to encourage imports and the point of recession, to the detriment of employment opportunities in Canada, and to improve seriously the Canadian trade balance.

Unnecessary Delay

Thoughtful Canadians will share the view of the Ottawa Journal that a delay in the voting of the day's session of Parliament, on July 28, is unnecessary. The Speaker and his deputy are both high officers of Parliament and their presence is indispensable to the running of the House of Commons.

Yet on June 27th, both of these officers of Parliament were nowhere

to be found when the House met at 11 a.m. and both had been spending the day in the vicinity of their homes. Both were delayed in their return to the capital. Such delay, which kept 100 per cent of the House of Commons from sitting on July 28, would be a waste of time and money.

Yet on June 27th, both of these officers of Parliament were nowhere

The basic principle of sound farming economy is getting the maximum amount of work done at the lowest possible cost. The only way this can be accomplished is with modern farm machinery.

Modern farm machinery is designed to do more work in less time at lower cost. More horsepower per man allows you to reap full benefits from today's more productive farming methods by keeping labour costs in line. It also assures you of a reliable work force you can swing into action at a moment's notice. Critical farm operations get done without delay and without depending on the availability of high cost farm labour. Whatever kind of farming you do you can look to Massey-Ferguson for the machines and implements that will do every job faster, more efficiently, and more economically.

EDITORIAL

Co-operation Is The Way

Man is conquering the air, harnessing the atom, mobilizing matter forces, reaching out to outer space, but while he thus seems to be acquiring skill, he cannot, as it seems, overcome selfishness and vanity, envy and hate of power, hatred and fear.

There can, indeed, be no peace in the world unless there is peace in our hearts. This is no mystical incantation, no inscrutable religious incantation. It is plain common sense: a psychological fact which we cannot ignore. "Real peace must always rest on peace of mind," observed Winston Churchill. "While the so-called armed peace is at its height now in all countries is the lack of peace of mind which does not rest itself on its neighbor and half from hatred half from fear does not lead to its arms." How pertinent these words are even today!

As I recollect, Grand Canyon, "Golden Gate," return in New England. I have wondered how beautiful it was, but I have not seen it because of my own follies and crimes! And yet, for the first time in human history, when has placed power and wealth in the hands of which can eradicate gross poverty and drudgery, can make possible a varied and healthy life which can enable man to work and to enjoy life, and which has opened out new horizons for exploration and new frontiers of knowledge.

We want hearts warm enough to end the cold war and heads cool enough to prevent a hot one. We want science with humanity, politics with conscience, power with love. The way to peace is a hard and dreary one but by many disappointments and frustrations.

—G. K. Mehta, Indian Ambassador to the United States, April, 1958

It is not likely that anyone would disagree with Ambassador Mehta. The difficulty has been that, in the Western world at least, there has been no large scale practical alternative to the competitive system, for all sorts of "co-operative" ways, as it is called, can give to everyone the opportunity to participate in control of economic affairs and to share in the fruits of economic progress in accordance with those moral principles which should automatically lead to mind.

Board members have devoted hours to building plans in the past few months. Interior plans have been made and these are entering the first blue print stage. General program may be building started next spring. Final approval will be based on survey of members in trading area.

Man's mind is a vast storehouse of knowledge, but it is often the mind that is the most difficult to control. German Immigrant Settling Turning First Soil of His Alberta Homestead with Wooden-Beam Plow

A Salute to Alberta's German Pioneers

The pioneer of free farm land in the Canadian West in the early years of the 20th century was like a giant magnet drawing to the prairie farmer-settlers from half around the world. It pulled them to Russia and to the old Austro-Hungarian Empire, bringing to Alberta thousands of German speaking settlers. At the same time it drew second generation Germans from the midwestern states — Minnesota, the Dakotas, Wisconsin and Iowa — and the migration was supplemented again by government and railway colonization schemes particularly attractive to German-speaking settlers.

Hard-working, enterprising, willing to endure the hardships of pioneering and to contribute earnest and enthusiastic effort to the building of the West, they made up one of Alberta's largest pioneer groups both in actual number and in value of their contribution to the agricultural development of the province. Another pioneer of the West — the Calgary Brewing and Malting Company Limited — is proud to salute them!

FATHER FLANAGAN OF BOYS' TOWN

By FATHER GEMMER

This is a warm human story of a man's devotion to his work and his children. It is a story of a man who has spent the last 20 years of his life in Boys' Town, where he has created and guided the lives of many young men who have never known a father's love. It is a story of a man who has seen the worst of the world, but who has never lost his faith in the goodness of men.

CONGRATULATIONS TO VETERINARY CLINIC From ST. PAUL ELECTRIC CO. Contractor for all ELECTRICAL INSTALLATIONS Ph. MI 3-3123 St. Paul, Alta.		CONGRATULATIONS TO VETERINARY CLINIC From Chris Mortensen Contractor For ARCHITECTURAL BRICK WORK 76 Lexington Ave Calgary, Alta.
--	---	--

September 10th represents the most modern facilities available for all veterinary services. The building features the famous Hunter All Steel construction and is 22 feet wide and 40 feet long. Within three building days the structure was fully completed and the interior was fully stocked. Including livestock trailers, the building was ready for the arrival of horses from the day work was commenced. The General Contractor, Cowan's "Cats" Ltd., is owned and managed by Jim Cowan, 20, Park Road, in the main 1 year. The landowners are now in Calgary but the Veterinary Clinic represents some 1000 head of livestock over 1000 tons.

Seti Channel Record

Seti Channel Record
A record was set for the Seti Channel on Tuesday night. The record was set by a group of young men who were competing in a relay race. The group consisted of five members and they completed the race in a time of 10 minutes and 30 seconds. This is a new record for the Seti Channel and it was a great achievement for the group. The race was held at a local track and was attended by a large number of spectators. The group was very proud of their accomplishment and they were congratulated by the officials. The record will stand for some time and it is a testament to the group's hard work and determination.

Former Resident Dies in Ottawa

Former Resident Dies in Ottawa
A former resident of St. Paul, Minn., died in Ottawa, Canada, on Tuesday. The man, who was 78 years old, had been living in Ottawa for several years. He was a well-known figure in the St. Paul community and was a member of several organizations. He died of a heart attack while on a walk in a park. His family was notified of his death and they are currently in Ottawa. The man was a very kind and generous person and he was loved by many people. His death is a great loss to the community and his family is grieving. The funeral will be held in St. Paul and his body will be returned to his home.

It's never a pleasant sight to see your teeth, and the doctor, "Here's mine smiling proudly".

When I give it to him, "You don't give it to him", said the doctor. "You like it?"

Ye Gods and the Mistle Toe

The Editor tells us that Odin, Thor, and Balder, the Norse gods, were once in a great battle. Thor, the god of lightning, was the victor, but he was so tired that he fell asleep. Balder, the god of light, saw this and decided to help him. He took a mistletoe branch and threw it at Thor's head. Thor, who was so tired, did not see it and was killed. This is the story of how Balder died. It is a sad story, but it is also a story of love and sacrifice. Balder's death was a great loss to the Norse people, but it was also a story of a god who was willing to die for his friend. This is a story that we can all learn from. It is a story of love and sacrifice, and it is a story that we can all learn from.

NOW FOR '61... 2 TOTALLY DIFFERENT TYPES OF CHEVY TRUCKS!

1. TEAM-DRIVING CHEVROLET TRUCKS — THE TRUCKS THAT TEAM WITH A WHEELS AND A PUNCH!

Here are trucks that are a full 2 feet shorter than conventional half-tonners. Yet hold more payload of cargo. In example, for 1961, 10 ft. of cargo space. Trucks with one power bolt, better drive, independent wheel suspension and best control weight distribution. You get high back, maneuverability, and a lot more. You get a lot more. You get a lot more.

2. THROUSPOING CHEVROLETS — WORTH MORE BECAUSE THEY WORK MORE!

Chevy's '61 fleet brings you the latest addition of the trucks that proved the overwhelming worth of independent front suspension. They're here with the most advanced control factors ever found in a truck. And that's why you'll find the new 1961 Chevrolet trucks. You'll find a Chevrolet truck custom made for you and your job. You'll find more rugged construction in every inch of body. You'll find 100,000 miles of life. You'll find more rugged construction in every inch of body. You'll find 100,000 miles of life. DIGNIFIED SERVICE

In A

Beautiful New Setting

(Outside view of new addition)

(Inside view of new chapel)

New Chapel Facilities

Here in dignified surroundings, everything has been designed to create an air of quiet composure and comforting warmth... to make your last tribute to a loved one a consoling memory.

No Detail Too Small

Every funeral held here is the result of infinite attention to detail. Planned and devoted care are brought step by step to an impression of reverence.

We Help You Think Of Tomorrow

When a family is overwhelmed by grief, it is difficult to face practical realities. Ease the burden for your family by letting us make the complete arrangements. Our counselling services are always at your disposal.

We Think You Should Know

Our years of service have equipped us to meet the intimate personal problems of the bereaved family. We are counsellor and friend and bring comfort and relief to all those who seek our aid.

A Cherished Memory

Here services are conducted with a quiet dignity in a comforting and reverent atmosphere and with most careful attention to the individual requirements of every faith and creed.

A Professional Service

Every service entrusted to our direction is a professional and reverent tribute designed to solace the bereaved.

Park Dale Funeral Home

Features Modern Chapel

When Mr. Mike Poytke and Mrs. Poytke purchased the Park Dale Funeral Home in 1957, they set out to create a dignified and comfortable place for the family to hold their loved one's last rites. They have succeeded in this task.

Management Of Park Dale Funeral Home

Mr. Mike Poytke, seated at the desk in the modern new office of Park Dale Funeral Home, discusses a funeral arrangement with his partner, Mrs. Poytke. They invite you to visit the new chapel and make use of the improved facilities placed at your disposal.

The new chapel is a beautiful addition to the Park Dale Funeral Home. It is a place of quiet dignity and comfort, where the family can hold their loved one's last rites in a peaceful and reverent atmosphere. The chapel is equipped with the latest in funeral home facilities, including a large viewing room, a private chapel, and a modern crematorium. The management of the Park Dale Funeral Home is committed to providing the highest quality of service to the community.

A TRADER OF
AGRICULTURE

Convincing the Canadian
Wheat Board

It is generally known that the Canadian Wheat Board, from the Ministry of Trade and Commerce, has the privilege to use the name of wheat in its advertising and marketing. It is the name of wheat that is the most important factor in the success of the wheat grower.

Now, however, the Canadian Wheat Board has decided to use the name of wheat in its advertising and marketing. It is the name of wheat that is the most important factor in the success of the wheat grower.

Permanence in the name of wheat is the most important factor in the success of the wheat grower.

Nothing To It... Says This Trio of Members

Nothing to it, said Beaver Doucet, back from a successful hunting trip with Mrs. Doucet and Mrs. H. Doucet, that of the three members of the St. Paul Feed Mill. The trio of members of the St. Paul Feed Mill, who were hunting for a new location for the mill, have now found a suitable site and are planning to build a new mill.

of wheat, oats and barley is not as high as it used to be. This is due to the fact that the price of wheat has fallen and the price of oats and barley has risen.

But even at the moment it is not clear as to the future of the wheat industry. The price of wheat is still low and the price of oats and barley is still high.

St. Paul Feed Mill Opens Officially Sat., Nov. 12

When a local farmer delivered a 5-ton load of feed to the feed mill, he was concerned about the two or three hours he thought it would take to roll it through the hammer mill.

"I don't if it will take an hour," said Mr. A. Doucet, proprietor of the newly constructed mill which officially opens this week.

"You couldn't do that load in less than two hours."

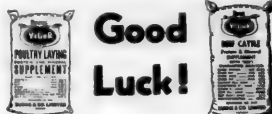

The owner of the mill, Mr. A. Doucet, said that the mill was built to handle a load of 5 tons of feed in less than two hours.

There is a type of mill, called a hammer mill, which is used to grind feed. It is a simple machine with a heavy metal hammer that strikes the feed and breaks it into small pieces.

This hitchhiker has the last laugh

Whenever you leave home to drive those long miles to a BIG CITY on a shopping trip, that busy individual with the big appetite goes along... and at your expense.

He represents the constant drain on your shopping dollars in the cost of gasoline and oil, tire and car depreciation, parking fees, distant finders and other hazards of big-town traffic. When you add up all his expenses, your shopping expedition will be more costly than buying the identical items from your local merchants. And think of the physical bearing involved as he forces you to save by buying here at home.

May it be so that you can save by buying here at home.

HERE'S HOW YOU BENEFIT BY SHOPPING ALL YOUR SHOPPING LOCALLY

When you buy from your hometown merchants you get:

1. HIGHEST VALUES
2. FREEDOM FROM ROAD HAZARDS
3. INSTANT DELIVERY, SERVICE AND ADJUSTMENT
4. BROAD PERSONAL AND PERSONALIZED TREATMENT
5. SAVINGS OF TIME
6. SHOP FROM COMFORT SEAT

St. Brides Annual Chicken Supper Establishes New Record

The annual chicken supper of the St. Paul Brides Association was held at the home of Mrs. Gordon on Wednesday evening. The supper was a great success and a new record was established for the number of persons who attended. The proceeds of the supper will be used for the purchase of a new car for the association.

The St. Paul Brides Association is a group of women who meet regularly to discuss problems and share ideas. The association is a very active and successful group.

Tuberculosis . . .

The Disease

We hear a lot about tuberculosis . . . the fight the Alberta Tuberculosis Association is engaged in against this disease is a constant one. It is a disease that is not only a threat to the health of the individual, but it is also a threat to the health of the community. It is a disease that is not only a threat to the health of the individual, but it is also a threat to the health of the community.

The tubercle bacillus, which is a germ that is very small, is the cause of tuberculosis. It is a germ that is very small, and it is a germ that is very dangerous. Delighted To Meet Nemeseks in St. Paul

When Senator Delaney was delighted to be greeted by a number of his little-known friends, 87 years, one of them, Louis. Lawrence, Barker, Cushman Barker, son of the late Barker, was seated at the St. Paul Greater Conference table his neighbor while the Barker, is photographing a shot for him.

Hospital Notes

Development of psuchosis in the patient, who had been hospitalized for several months, was based as much on the abnormal attitude of the patient and his family as on the clinical picture. The patient's attitude was characterized by a general conviction that he was being persecuted by a group of enemies who had set up a hospital in the basement of his apartment building. He was convinced that the police were going to arrest him and that the hospital was a trap. He was convinced that the hospital was a trap. He was convinced that the hospital was a trap.

Store And House Burn

New Year's eve and day celebrations in Ashmont were marred by two fires which destroyed the complete contents of a general store and a private home while residents watched helplessly unable to quell the consuming flames.

The first disaster occurred on New Year's eve at about 8:15 when flames broke out in the Steinhauser's store and spread to engulf it along with a vacant building adjacent to it. On New Year's day the home of Jack Steyer was completely demolished while the owner was away visiting relatives.

The store fire was first noticed by Mrs. Steinhauser who was in the store at the time. She tried to extinguish the fire but it was too late.

The fire spread rapidly and within a few minutes the entire store and the building adjacent to it were in flames.

The fire was extinguished by the Ashmont Fire Department. The store was completely destroyed.

New Year's Resolutions

Most thinking men and women on this period of the year make resolutions. Even though they may be kept only until the next morning, the effort to make them is a commendable one. The resolutions are a statement of the individual's desire for a better year. They are a good starting point for the individual who wants to improve himself. Elk Point Rink Wins Local Curlorama

The nation's economy still follows a bumpy path, according to the latest government reports. The most recent survey of the country's industrial production was \$1,602 million, the highest ever. The monthly industrial employment figure also showed a gain, rising to 1,000,000. The unemployment rate between August and September, a time when it usually rises up to a seasonal peak, averaged weekly rose to 97.57 from 97.94 in August.

Celebrate Silver Anniversary

A well known couple of St. Paul celebrated their 50th anniversary recently. The couple, Mr. and Mrs. Peter Cukowski, were married on January 26, 1911.

Mr. Peter Cukowski was born in Poland and came to St. Paul in 1911. He is a well known businessman and has been married to Mrs. Peter Cukowski for 49 years. They have three children and are very active in their church and community.

The couple celebrated their anniversary with a party at their home, which was attended by many friends and family. The party was a very successful one and the couple was very happy to celebrate their 50th anniversary.

PRIST LEARS TWO LIPS

Albert Storchewski, Toronto, leads two lips. In one he is the Very Rev. Albert Storchewski, pastor of St. Paul's Roman Catholic Church, St. Paul, Alberta. In the other, he is simply Albert Storchewski, 21, St. Paul, Alberta. The priest has refused a salary from his people for some years. He says he will not let the last cent be paid of the church's treasury and at right at the altar of the church.

Barts Take Third Game From Hard Fighting Postings

The Pauls defeated the Barts in the third game of the series, 2-1, in a hard-fought contest. The Pauls, who had lost the first two games, showed a marked improvement in their defense and offense. The Barts, on the other hand, were unable to capitalize on their early lead. The game was a tactical battle, with both teams making adjustments throughout. The Pauls' victory was a morale booster for the team, as they now lead the series 2-1.

CONGO IS U.N. TOPIC

The Congo is a major topic of discussion in the United Nations. The situation in the Congo is complex and requires the attention of the international community.

Added E. Stevenson, American ambassador to the United Nations, said in a statement that the situation in the Congo is a major concern for the United States.

Water, Sewer By-law Road

A number of roads and water lines are being installed in the City of St. Paul. The City Engineer, Mr. J. H. Smith, has been authorized to issue By-law 1000, which will require the owners of property along these roads to install water and sewer lines. The By-law will also require the owners to install a water meter and a sewer connection. The City Engineer has been authorized to issue this By-law to ensure that the roads and water lines are installed in a proper and safe manner.

Father, Daughter Killed In Car Accident

Youth Escapes Minor Injuries

A car which appeared to be out of control, rolled over several times, killing two of its three occupants, on Thursday evening 2 1/2 miles north of the Deveroy bridge.

Killed in the accident were the owner and driver of the 1954 model car, Donnie Quinn, 30 years old, of 1825-180 Ave. N.E., and his 15-year-old daughter, Thelma, a passenger in the car, who also instantly killed.

The third occupant, Edward Quinn, 18 years old, a nephew of Donnie Quinn, escaped with minor injuries, but was taken to the St. Paul Hospital for observation. He was released after a few days.

The car was travelling north on Highway 20, and was involved in a head-on collision with a car travelling south. The car was travelling at a high speed and was out of control.

From The Alberta Legislature

By RUSS SHEPPARD

Reading a catalogue of cabinet members in Alberta today is like reading a catalogue of cabinet members in any other province. The Legislature, for the first time in its history, has a cabinet that is not only diverse in its composition but also in its background. The members of the cabinet are not only from different parts of the province but also from different backgrounds. This is a good thing for the province and for the people of Alberta.

SAFETY FIRST ON TRACTORS
When you are operating a tractor, it is important to follow the safety rules. This includes wearing your seat belt, not drinking and driving, and making sure you are properly trained. Safety is always the first priority when it comes to operating a tractor.

Thirteen Contractors Submit Bids For New 75 Bed Hospital

Decision Reserved For Two Weeks

Thirteen general contractors along with 21 sub-trades tendered bids below and above the million dollar mark for the construction of a new 75-bed hospital in St. Paul. Bids were opened and read Easter Monday at the Hospital by Diamond and Clark, Architects, in the presence of the Hospital Board, representatives from the Grey Nuns and several contractors.

Three of the lowest bids were so close that a final decision was reserved pending further consideration of shapable, mechanical and electrical bids by the architects.

A USAP helicopter checks perimeter of the Port of Montreal.

While Mr. Corbin does not necessarily mind, although the principle here is to protect the people and the property of the Port of Montreal, it is not a matter of high interest. Nevertheless, it is a matter of high interest to the Port of Montreal. We would want to be able to provide a greater security than a dollar in any other way.

Galaxy Aquarium Acquires Many New Sea Creatures

A recent acquisition to the Pacific Coast by the Galaxy Aquarium and Peterborough, Ontario, has resulted in the acquisition of many new sea creatures.

The aquarium, which is located in the waters off Vancouver, has acquired a number of new sea creatures, including a large shark, a large fish, and a large crab.

Shop Destroyed By Fire At Mollie's

(Continued from page 1)

One of the most popular shops in St. Paul, Alberta, was destroyed by fire on Wednesday night, May 10, 1961. The fire started in the rear of the building and spread rapidly, destroying the entire structure. The owner, Mollie's, is a well-known figure in the community and the loss is a significant one.

How They Fight A Fire In The Country

Fire fighting in the country is a different matter from fire fighting in the city. In the city, there are fire hydrants and fire trucks. In the country, there are no fire hydrants and fire trucks are not always available. Therefore, fire fighting in the country is a more difficult task.

Family picnics are a real summer-time, family treat — enjoy these happy, sun-filled excursions with the season's most welcome picnic treats, and for a delicious selection of all your fresh air favorites — See your CO-OP today!

CO-OP

"O" is for ownership

A nation's strength lies in its natural resources and in the make-up of its people. Its strength depends on how well its people develop those natural resources.

The benefits of our natural resources are available to all through the development of co-operative owned oil wells and the processing of these petroleum products in the world's first Co-operative Refinery.

Take of CO-OP Petroleum Products increase each year. Thus, the development of our natural resources benefit more Canadians each day—through co-operative ownership.

HOW MANY WENT TO A BANK FIRST?

Probably most of them! Experienced travellers have learned that a chartered bank can add greatly to the enjoyment and convenience of travelling. Here you can get answers to currency questions, leave valuable in safekeeping, obtain letters of introduction. Travellers Cheques are ideal for day-to-day expenses. For larger sums, you may prefer a Letter of Credit, or arrange to have funds forwarded to you. A chartered bank has many ways of caring for your travel needs. See your local bank before you go.

St. Paul Packers And Processors Open New Industry For District

Congratulations

TO

St. Paul Packers And Processors Co. Ltd.

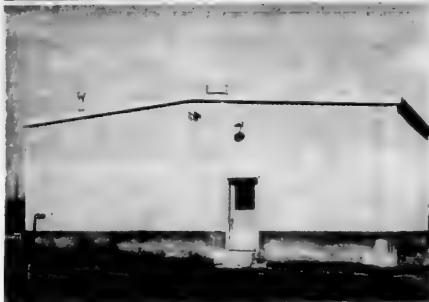

This new plant fills in a required need and will be beneficial in many ways to the residents of this area. May they experience success in their business.

Car-Quells Construction Company is pleased to have shared in the construction of this new building. Concrete for it was poured in the middle of winter by means of an inflated balloon erected over the project to retain heat... a winter project which provided employment for the town's workers.

We specialize in concrete and are equipped to handle big jobs as well as small ones. See us for estimates.

HOW MANY MILES SHOULD A TRUCK LAST?

It depends on the driver — on the care that a truck is given — and on the manner in which the truck was built. Let's assume the first two factors are average... the driver is reasonably competent of his truck... the maintenance it receives is sensible and regular. Now, the mileage we can expect depends on how the truck is built.

WHY IS THE ENGINE YOU CHOOSE SO IMPORTANT?
Let's talk engines. For this is the heart of truck performance. And it's here that Chevrolet V-8's and 6's have proven their dependable work. Naturally, Chevrolet gives you a choice of power plants... but they all have something in common. Namely, overhead valves, massive bearings and full pressure lubrication, all essential for long engine life. And, as a bonus while you enjoy this standard engine life, Chevrolet has married economy in power to the performance of its various engines — so that with a Chevrolet Truck you have the pull-to-getter when you need it, and gas economy when you need it.

Then there are the myriad of "small" features that help extend the life of Chevrolet Trucks. Extra big capacity brakes... precision ball joint steering to minimize friction and steering effort... torque-tailored clutches and expert-shock transmission!

Now consider truck frames for a moment. Chevrolet Heavy-Duty Trucks are built with a variety of frame tail-made for a variety of trucking jobs. For example, if you spend all of your driving time on the highway, Chevy recommends one of their frame frames that gives you the greatest in the worst. If your work calls for extra heavy highway loads, Chevy has a frame that fits the bill, too. In fact, Chevrolet Trucks come to you with the "just-right" frame for your job. And because of that, months and months of life are added to your Chevrolet Truck — in miles and miles of profitable hauling.

So how many miles should your Chevrolet Truck last? Frankly... we can't pin it down to a figure. Certainly, there are thousands of Chevrolet Trucks across Canada with thousands of profit miles behind them. Who knows, perhaps you'll retire before your truck does. But one thing we can say: Chevrolet Truck has been built to give you the best performance throughout the longest possible life. And with a Chevrolet Truck, every mile you drive will be a profitable one. Choose your Work-Proven Chevrolet Truck at your dealer's today.

WHY NOT SAME SUSPENSIONS LAST AND LAST?
Let's talk suspension. Here's another way in which Chevrolet extends truck life... truck-tailored rear suspension in comparison with Chevy's famous Independent Front Suspension with torsion springs. Before Chevrolet pioneered this suspension system, most trucks used to be transmitted direct to the chassis — and to the shock metal and load. But now with Independent Front Suspension and val-rile rear springing, Chevrolet Trucks dissipate the bumps, reduce chassis strain, maintain line shape, less damage and driver fatigue. Another way of adding more and more miles to the life of a Chevrolet Truck.

Store Opening Hours

The discussion about night shopping for St. Paul stores is going on.

Let's go back speaking to the farmer. We asked him an impression of the night shopping. He said it was a lot better than the day shopping. He said it was a lot better than the day shopping. He said it was a lot better than the day shopping.

However, he brought out one interesting point. He said that the night service would be fine if it were thought out. He said that the night service would be fine if it were thought out. He said that the night service would be fine if it were thought out.

But, try and introduce this type of service. It would develop a lot of money and a lot of money. It would develop a lot of money and a lot of money. It would develop a lot of money and a lot of money.

Good Calf Club Showings

Last week was achievement day for calf clubs in North Eastern Alberta. Members who had been preparing the animals for the showing last November brought out their calves to the judging at home and for the sale of the calves.

Looking at the calves prepared in the ring involved the reflection of the hard work of the calf club members. The calves were judged on the basis of their appearance and the quality of their breeding.

Valley and St. Lawrence club members were the winners of the championship. The calves were judged on the basis of their appearance and the quality of their breeding.

Not everyone can win first prize, but we know that every one of the club members has a lot to be proud of.

Lower Dollar-Higher Prices

The big turnaround on the foreign exchange front from a premium to a discount in terms of the Canadian dollar has caused a lot of speculation.

There will be a slow but distinct upward again in the value of the Canadian dollar. This is due to the fact that the Canadian dollar is now at a discount in terms of the United States dollar.

Profits will be squeezed sharply by the drop in the value of the Canadian dollar. This is due to the fact that the Canadian dollar is now at a discount in terms of the United States dollar.

Decrease Not Popular

It comes as no surprise that the Canadian dollar is now at a discount in terms of the United States dollar. This is due to the fact that the Canadian dollar is now at a discount in terms of the United States dollar.

economic and therefore political factors. The Canadian dollar is now at a discount in terms of the United States dollar. This is due to the fact that the Canadian dollar is now at a discount in terms of the United States dollar.

90 ALL-CROP Harvester

the Pull-Type Combine with Performance to Match New Tractors

Here's the pull-type combine that takes heavy crops in stride, that's rugged enough to match modern tractors. The Model 90 All-Crop Harvester comes regularly with a 70-hp. engine and has 2 1/2 sections equipped to handle 3 rows of combine with width to space. For your combine, a 2-row, 14-hp. engine can be added to suit.

If a pull-type combine, either power-harvest or engine-powered, fits your farming, take a long look now at the Model 90 All-Crop Harvester. From its hydraulic loader control to its 100-hp. engine, it has three reasons you're here looking for it. Let us show you how the pull-type combine can be the best at it.

HOW TO ATTRACT HUMMINGBIRDS

Hummingbirds are attracted to garden flowers which are in the garden by natural and by artificial means. The latter is a plastic, non-breakable, garden or gift shop. The latter is a plastic, non-breakable, garden or gift shop. The latter is a plastic, non-breakable, garden or gift shop.

The basic principle of sound farming economy is in getting the maximum amount of work done at the lowest possible cost. Your Massey-Ferguson dealer offers you modern equipment from which you can select machines especially suited to your needs.

Starting a New Strawberry Bed Now

Due to the cold wet spring
 many gardeners did not start a
 new strawberry bed started
 August in a garden. It is not
 the job, in fact, they are not
 as late as they thought. It is
 not as late as they thought.
 If you have a berry patch
 in your garden, you can start
 it now. The new plant can be
 set into the strawberry
 bed.

If one does not wish to
 start a new strawberry bed,
 strawberry plants can be grown
 by layering. The runner to
 be used is the one which
 grows with the berries at
 the end of the runner. It is
 a garden of trouble and
 the roots will develop
 more quickly.

The Outlook For Business

There is evidence of some slight improvement in Canada's employment situation. The unemployment rate has fallen slightly from its peak in 1962.

Green Menace Or Blessing

Green algae is a nuisance, but it is also a blessing. It is a green alga that is found in the water of the Great Lakes.

...so they tell us

Young people, properly informed, don't want to be manipulated. They want to be free to make their own choices and decisions.

Vandalism Continues

Incidents of public glass and extra vigilance of the three lake islands has been required to prevent vandalism and damage around the park.

In last week's paper, the Glen Avon Recreation Association who have assumed responsibility for the park, advised that a \$25.00 reward for information leading to the apprehension of the vandals who inflicted recent damage.

Three persons deliberately broke up wooden benches in the shelter and demolished other wooden furniture on the lake to light a camp fire. What kind of a necessity would do a thing like that for the most common of vandals? Further damage was done to the three lake islands. The vandals were caught and a few arrests made.

Why Climb Mountains?

Too often this year we have read reports in newspapers where mountain climbers have slipped off a ledge to destruction or to a premature premature death. But why climb mountains? Why risk your life for a few moments of glory? Why risk your life for a few moments of glory? Why risk your life for a few moments of glory?

Farm Accidents Mourn

Records show that most farm accidents occur during the months of June and July. And more than half of all farm accidents occur during the months of June and July. And more than half of all farm accidents occur during the months of June and July.

Appreciate What We Have

A few weeks ago we were guest of a friend at a summer resort on Watkinson Lake some 45 miles west of Edmonton. This lake abounds with wonderful scenery, but the congestion that has been in the past decade has driven people to find congenial or almost no vacation where there is an opportunity to enjoy the beauty of a beach.

Van Brabant Wins Liberal Convention Over R. Hall

Celebrate Fiftieth Anniversary

St. Paul, Alberta, Sept. 28 (AP)—The Liberal Party of Canada today elected a new leader, and the party's 50th anniversary was celebrated in a festive atmosphere.

W. L. Van Brabant, 54, of St. Paul, Alberta, won the leadership contest by a narrow margin over R. Hall, 51, of St. Paul, Alberta. Van Brabant, a former member of the House of Commons, was elected by a vote of 1,000 to 980.

The convention, which opened in St. Paul, Alberta, today, was the largest ever held by the party. It drew more than 1,000 delegates from across the country.

Van Brabant, who has been a member of the party since 1945, was elected to the leadership position. He will replace the retiring leader, Lester B. Pearson.

Pearson, who has been the party's leader since 1955, will continue to serve as the party's president.

The convention will continue through Friday and Saturday.

Welcomed By Pearson

Wednesday was a big day for Mayor Jules Van Brabant. He was welcomed to the city by Mayor Pearson, who had just returned from a trip to the United States.

Van Brabant, who is a member of the Liberal Party of Canada, was elected to the leadership position of the party. He will replace the retiring leader, Lester B. Pearson.

The convention, which opened in St. Paul, Alberta, today, was the largest ever held by the party. It drew more than 1,000 delegates from across the country.

Card Of Thanks

I wish to express my sincere thanks to the staff of the St. Paul Hospital for the excellent care and attention given to me during my recent stay. The medical staff and nursing personnel were all very helpful and professional.

Red Cross Branch In Elk Point Acts In Helping Citizens

The Red Cross branch in Elk Point has been very active in helping the citizens of the town. They have collected food and clothing for the needy, and have also provided financial assistance to those in need. The branch is open every week, and anyone in need of help is welcome to visit.

SURPRISE VISIT

A surprise visit was paid to the St. Paul Hospital by a group of friends. They brought with them a large bouquet of flowers and a card of appreciation for the staff. The visit was a very pleasant surprise for everyone involved.

THE Home makes

The Home makes a difference in the way we live. It provides a place where we can relax and enjoy the company of our family and friends. A well-maintained home is a source of pride and comfort.

HOW MANY PAY THEIR BILLS BY CHEQUE?

Nowadays most people do! Writing a cheque on your bank account is the quick, handy way to pay for larger purchases as well as bills. Canadians write almost three million cheques every banking day. Fast, efficient handling of these cheques is accomplished by the clearing system maintained by the chartered banks and extending into every corner of the nation. It makes possible the convenience, the simplicity and the safety you command every time you use your cheque book.

IN RECEPTION ON CPAN & CHSA*

TV TIME IS HERE

3 STATIONS TO CHOOSE FROM

Now that the fall season is here and winter is approaching, a lot more TV time will be put in and people will be watching their screens. With the potential of these stations in St. Paul now that C&T has started broadcasting from Edmonton along with CRRN and CHSA-Lloydminster, there is much speculation on reception. But to have the best performance you must remember that there are important basic factors, besides the broadcasting powers.

1st - You must buy a television set strong enough to bring in even the weakest signal.

2nd - Well erected antennas at the proper altitudes are very important to your reception.

3rd - Reputable sales and service... where and from whom you buy makes a big difference. The service is important. Both of these factors are available at St. Paul Radio and TV, where you will find expert technicians in the field of TV and radio.

We represent companies who have proven themselves leaders in the electronic world - RCA Victor, General Electric, Philips, Marconi and others. We highly recommend these products for your television entertainment.

Four Master Farm Family Awards Made By Provincial Government

M. Felstad Wins North

Four Master Farm Family Awards were made by the Provincial Government in 1961, to recognize outstanding Master Farmers in the four provinces. M. Felstad of the North District won the award for his outstanding contribution to the Master Farm Family. He was recognized for his leadership in the North District Master Farm Family, which has been a model for other districts. Felstad has been a Master Farmer for many years and has been active in many community organizations. He has also been a member of the Provincial Master Farmers' Association.

Northern Alberta's Master Farm Family

The Master Farm Family of British Columbia, recently ranked by the Provincial Government, has the honor of the Master Farm Family Award. The award was made to the Master Farm Family of British Columbia, which has been a model for other districts. The Master Farm Family of British Columbia has been a model for other districts for many years. It has been a model for other districts for many years. Fire Commissioner Recommends Caution

Albertans will be asked to give special consideration to fire protection in the home during Fire Prevention Week (October 8 to 14). Alberta Fire Commissioner James Bridges is announcing the date for the annual safety week stressed the need for a comprehensive assessment of fire hazards in the home and a plan of action in case of emergency.

Criminal Liability For Neglect

It has been recommended that all homeowners should be aware of the fact that a homeowner who neglects to take proper precautions against fire is liable for criminal negligence. It has been recommended that all homeowners should be aware of the fact that a homeowner who neglects to take proper precautions against fire is liable for criminal negligence.

PROCLAMATION FIRE PREVENTION WEEK By Mayor Jules Van Brabant

Whereas the month of October is designated as Fire Prevention Week by the National Fire Protection Association, and whereas the City of St. Paul, Alberta, desires to participate in this observance, I, Jules Van Brabant, Mayor of the City of St. Paul, Alberta, do hereby proclaim the week of October 8 to 14, 1964, as Fire Prevention Week in the City of St. Paul, Alberta.

DON'T Gamble!!

Don't let your life's work and savings be wiped out by fire in your home. Practice safety habits. Have your own personal checklist. Keep an adequate fire extinguisher handy. Carry adequate insurance.

HOW MANY ARE BANK CUSTOMERS?

A safe guess would be every one of them! That's because, in Canada, practically everybody has regular dealings with a chartered bank/Deposits account number more than 18% million—or better than one for every adult. And on the books of the banks at any one time are 1,800,000 loans for just about every personal and commercial purpose/Through 1,800 branches, from one end of the country to the other, the chartered banks bring a full banking service within the reach of everyone.

Electric Clothes Drying

Just Right! Electric clothes drying is clean as electric light! It gives you easy "just right" results in any weather—rainy, winter weather or dry weather!

Just Right! For white clothes. Electric drying leaves them sparkling white, and fresh as all outdoors.

Just Right! For colored clothes. Electric drying leaves them bright, and never lets them fade in harsh sun and wind.

Try electric clothes drying—it's the modern, automatic way to end those washday, washday worries!

Amendments Made To Prairie Farm Assistance Act

OTTAWA — Canada's new farm assistance act, which will be introduced in the House of Commons today, contains amendments to the Prairie Farm Assistance Act.

The amendments, which were introduced by the Minister of Agriculture, J. G. Bennett, will provide for a new system of farm assistance, which will be based on the principle of "cost of production."

The new system will provide for a "cost of production" subsidy, which will be based on the difference between the actual cost of production and the market price of the commodity.

The amendments will also provide for a new system of farm income stabilization, which will be based on the principle of "income stabilization."

The new system will provide for a "income stabilization" subsidy, which will be based on the difference between the actual income and the target income.

Jammed To The rafters - Hereford Sale At Bonnyville

Jammed to the rafters in an expression when describing the attendance at the first Hereford Production sale on the 15th Hereford Ranch, Friday afternoon, there was a very large crowd in the north bluffs area of here, jammed to the rafters in the temporary grandstand facilities, over 100 persons from as far as the Province of Ontario jammed the huge horse hall.

Organize CNIB Branch

On November 16, Mrs. M. A. Tremblay, Field Officer for the Canadian National Institute for the Blind, is organizing a new branch in Bonnyville.

Mrs. Tremblay will be in Bonnyville on Friday, November 17, from 10:00 a.m. to 1:00 p.m. at the Bonnyville Community Centre.

She will be assisted by Mrs. J. G. Gauthier, Field Officer for the CNIB in Edmonton.

The CNIB is a national organization that provides services for the blind and visually handicapped.

For more information, contact Mrs. Tremblay at (403) 241-1111.

13-Year Old Boy Shoots Himself, 22 Rifle
Lives for 20
Minutes After

St. Paul JOURNAL

THURSDAY NOVEMBER 20, 1991

Sixty cattle breeders, members of the Northern

State cattle breeders members of the Northern Alberta Hereford Club travelled to St Paul for the annual meeting Saturday, where they re-elected J. A. McLeod, of Calgary, president.

1er1

Widely proclaiming that "Hereford Land" the cattle industry, the delegates gave serious consideration to problems which affect the welfare of the breeders and planned for the next year's activities.

The banquet was presided over by the mayor, who gave a short address. The guests were entertained by a variety of musical and dramatic performances. The evening was a great success and the funds raised will be used for the benefit of the school.

Real Estate To High

At a public meeting last week, the statement was made by a business man that real estate in this town was too high.

The reflection was the result of a number of factors which have been made by outside firms looking at the new districts. Their conclusions to authoritative sources said that they had found the price of real estate too high in St. Paul and were looking of other towns for comparisons and potentials.

St. Paul has been described by the Industrial Development Board as one of the most rapidly growing cities in Alberta with a future in the future. It is a fact that the town has been developed by a number of outside firms which have been made by outside firms looking at the new districts. Their conclusions to authoritative sources said that they had found the price of real estate too high in St. Paul and were looking of other towns for comparisons and potentials.

United Church Ladies in Kitchen

The United Church Ladies in the kitchen are preparing for the service. They require a lot of hard work behind the scenes, especially for church and community projects where the ladies voluntarily offer their services and work with a lot of care to produce the good results on the tables. Here we see the ladies of the United Church in their kitchen during the banquet held recently on the occasion of the feast.

100 Birthday Mrs. Socquet

It's not everybody who lives to a hundred years of age. And it's not everybody who is so healthy and so active at 100. Mrs. Socquet, of St. Paul, is one of the few who are. She was born on December 14, 1861, and is now 100 years old. She is still very active and is still working in her garden. She is still very active and is still working in her garden. Bishop Lussier

For me, for behind I bring you good tidings of great joy which shall be to all people. For unto you is born this day in the town of David, and unto you is born a Saviour, who is Christ the Lord, and of whom PEACE good will toward men. Luke 2:10-11

These few Bible verses are the most comforting ones that any person can hope for. Yet the Bible, God always has an answer for the problems of men.

The crisis that this world faces today, the possibility of an uncontrollable cold war, is something new to us. We have never known this before. The only way we can survive is to turn to God. He is the only one who can give us the peace and confidence that God allows us to encourage us to turn to God for help. He is the only one who can give us the peace and confidence that God allows us to encourage us to turn to God for help.

There may not be peace among nations but you have that peace within your heart. The kind that only God can give you. Have you ever tried to receive this same peace and confidence from God? Allow us to encourage you to turn to God for help. He is the only one who can give us the peace and confidence that God allows us to encourage us to turn to God for help.

God created this world for man. The reason for the creation of man was that man should worship Him in return. It was the will of God that man should be happy and contented from God. Allow us to encourage you to turn to God for help. He is the only one who can give us the peace and confidence that God allows us to encourage us to turn to God for help.

God sent His Son into the world as a babe at Bethlehem. He came to save the world. This same Jesus is the answer to your problems. Make a decision today to turn to Him. He is the only one who can give us the peace and confidence that God allows us to encourage us to turn to God for help.

My prayer for you is that God shall bless you with good health and good will. May you have a happy Christmas and a prosperous New Year.

Rev. Steve Holmes

RC Parish

The great feast of Christmas is once more very rapidly approaching. If we judge things by their outward appearance, and if we judge the preparation of this great festival, we can see that the feast is being prepared with great care and devotion. Christmas reminds us of our unchanging duty in a changing world.

We have been privileged into a new era, the era of modern science, of super-speed of communication, of electronic achievement, of medical discoveries.

On the one hand, the world of God seems to be greater than ever before, on the other, the power and the splendour of the modern world are seeking where in this fast moving world they can find a place. The modern world is so busy in trying to change the "horns and hooves" of the world that it forgets God.

Indeed there is very much to be done. And every one must do his share with a deep sense of dedication, and with an unshakable confidence in God.

The dream of redemption and of grace is still present in this new world. Using the new tools of modern science, the modern world is still present in this new world. Using the new tools of modern science, the modern world is still present in this new world.

At the same time, we cannot lose sight of the "horns and hooves" of the world. The modern world is so busy in trying to change the "horns and hooves" of the world that it forgets God.

But here comes Christmas again, and it calls us back to the "horns and hooves" of the world. It calls us back to the "horns and hooves" of the world. It calls us back to the "horns and hooves" of the world.

And Christmas this year urges us to give more than ever before. It urges us to give more than ever before. It urges us to give more than ever before.

My best wishes to you for a Christmas filled with the peace and joy of God. My best wishes to you for a Christmas filled with the peace and joy of God. My best wishes to you for a Christmas filled with the peace and joy of God.

Philippe Lussier, C.S.B. Bishop of St. Paul, Alberta

The description of the journey of the wise men has been the subject of a good deal of legend and speculation. Tradition has given them the names of Caspar, Melchior and Balthazar. Their journey was a long and arduous one, and they were finally able to find the infant Jesus in the town of Bethlehem. STALIN'S BODY MOVED
Removal of the body of Josef Stalin, shown in his casket
in 1953, from Lenin's tomb in Moscow followed a grim
ceremony in the current Communist Party Congress in Moscow.
Premier Khrushchev attended the ceremony, at which
various other party leaders looked on the funeral procession.

Remember
BIRTH BIRTHDAY
Remember Birthdays

There's a week before
Christmas, and so through the
month of December, there's
a time to remember the
birthdays of those who
are dear to you.

Remember the Christmas
party. Who will bring the
gifts? Who will bring the
food? Who will bring the
wine? Who will bring the
cheese? Who will bring the
candy? Who will bring the
fruit? Who will bring the
flowers? Who will bring the
candles? Who will bring the
music? Who will bring the
joy? Who will bring the
love? Who will bring the
peace? Who will bring the
happiness? Who will bring
the Christmas spirit?

Hostesses Are Responsible

When a party is given, the hostesses are responsible for the success of the occasion.

The first thing to do is to select a suitable place for the party. It should be a place where the guests will be comfortable and where the hostesses can move about easily.

Winter Protection of Alpines

Most of the plants which are given in rock gardens, which are built up around the rocks to facilitate drainage, are of the alpine type.

May the Joy and Peace of Christmas

bring happiness to your household and bring happiness to those who cross your threshold during the Christmas season.

15 YEARS OF SERVICE

THE HISTORY OF ST. PAUL SALES AND SERVICE GOES BACK TO 1946 WHEN MR. ALEC TANNAH, AN ENTERPRISING MACHINERY SALESMAN PURCHASED THE OLD PARAGON GARAGE ON ST. PAUL'S MAIN STREET AND WENT INTO BUSINESS. DURING THE 15 YEARS THAT FOLLOWED, THE FIRM SHOWED MARKED PROGRESS EXPANDING INTO ONE OF THE LARGEST RURAL AUTOMOTIVE AND FARM MACHINERY AGENCIES IN ALBERTA.

HOWEVER, THE SUCCESS OF ST. PAUL SALES & SERVICE IS IN LARGE MEASURE DUE TO THE LOYALTY AND AGGRESSIVENESS OF ITS EMPLOYEES, MANY OF WHOM HAVE BEEN WITH THE ORGANIZATION THROUGHOUT THE GREATER PART OF THE TIME THE FIRM HAS BEEN IN BUSINESS. CELEBRATING THE 15th ANNIVERSARY WITH ST. PAUL SALES & SERVICE ARE THREE EMPLOYEES WHO HAVE BEEN WITH US FOR 15 YEARS. THEY ARE PAUL LORD, MIKE MARKIWSKY AND TONY YUSCHYSHYN. THE EFFICIENCY AND INTEREST OF OUR EMPLOYEES IS THE BACKBONE OF THE FIRM'S GROWTH AND THE KEY TO EFFICIENT SERVICE WE HAVE BEEN ABLE TO GIVE YOU THROUGH MEN WHO KNOW THEIR CUSTOMERS, THEIR REQUIREMENTS AND THE CONDITIONS OF THIS FAST DEVELOPING DISTRICT.

Old Paragon Garage in 1946. The old Paragon Garage as it was in 1946 was purchased by St. Paul Sales and Service and was the subject of constant renovation as the business grew in its general form. Comparison can be made with the modern picture below of St. Paul Sales & Service Ltd.

15-Year Employees Recognized For Faithful Service

Mr. Alec Tannah, left, manager of St. Paul Sales & Service Ltd., makes presentation of commendation to three 15-year employees who have been with the firm since it first went into business in 1946. They are left to right, Mike Markiwsky, Paul Lord and Tony Yuschyshyn. The engraved commendation reads "15 Years of Valuable Service, (individual name) St. Paul Sales and Service, 1946-1961."

Mike Markiwsky

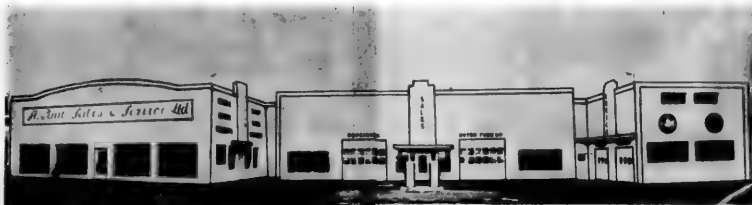

The oldest employee on the staff of St. Paul Sales and Service is Mike Markiwsky, 49 years old. Mike was on the payroll of the former owners before the present management took over in 1946. Mr. Markiwsky was born and educated in Mysman, moved to St. Paul in 1941 and since then has been closely associated with the automotive and machinery business. Mike started as part-timer in the Massey-Harris line and now retains the position of Massey-Harris Service Manager with St. Paul Sales & Service. He is married and has one little girl.

Paul Lord

A veteran of the second World War, Paul Lord now 48, was raised and educated in St. Albert. His term of employment with St. Paul Sales & Service commenced in 1946 as a mechanic. In 1953 he was promoted to the position of shop foreman. During the war Paul served 4 1/2 years overseas in the central Mediterranean and European theatre. He was discharged in 1946 with rank of Corporal. Mr. Lord is Vice-President of the St. Paul Branch of the Canadian Legion and is an active member of the Knights of Columbus. He married in 1951.

Tony Yuschyshyn

Twenty, 35 years old, was raised and educated in the Lac Beauveuve district. He joined the firm at the early age of 18 and was employed packing and unloading parts. Later he moved on to take charge of wrecker service and is now responsible for the recent addition of used cars. Tony is married and has a family of three children.

St. Paul Sales & Service Ltd. as it is today with its wide open modern front presents an attractive building in town and efficient service facilities.

APPRECIATION OF Patronage

In announcing that I have sold my business to Mrs. Aline O'Driscoll, I also wish to express my sincere appreciation for the faithful and valued patronage of all the customers whose purchases in the past helped to build Darling Ladies' Wear into the modern ladies' and children's shop it is today.

It is with pleasure that I recommend and invite you to continue patronizing Darling Ladies' Wear and the new owner, Mrs. O'Driscoll, who is well qualified to serve you efficiently and to your entire satisfaction.

Winners In Firemen's Spiel

Eight teams completed local volunteer Firemen's and their wives dared the Sunday storm and cold to curl in the brigade's annualspiel. In the top picture, Yvonne, Judy, for the second time in a row, takes the first event. He is seen accepting trophy from Lloyd Carter of Cardenbury, along with his crew left to right in the order they played, Phil Germaine, Ralph July and Margaret Pary. In the lower picture, winners of the second event, Terry LaBourene, Wally Potholke, Fred Pary and Robert Potholke. They received the St. Paul Firemen's trophy and refreshments. Runner-up in the first event were Harold July, Robert Dennis, Mrs. Fred Potholke and their Potholke. In the second event, Ray Potholke, Harold Potholke and their Potholke.

ANNOUNCING CHANGE OF OWNERSHIP ANNOUNCING ANNOUNCING

Mrs. Aline O'Driscoll takes pleasure in announcing that she has purchased Darling Ladies' Wear and officially takes over the management of the ladies' dress shop. We will continue to provide the same old service in merchandising leading ladies' clothes in the latest fashions of exclusive quality at reasonable prices. Guaranteed satisfaction that comes with the feeling of being well dressed and in style. The new management extends a cordial invitation to both old and new customers to visit our store and take advantage of the big sale values now being offered and whenever you require the best in ladies' clothes.

Mitcherick and Trotter Win Legion Bonspiel

Celebrating a good time was predominant in the annual Legion Bonspiel held on Sunday. When all the big guns had fired their bolts, Tommy Mitcherick was the victor in the first event while Betty Trotter came up with the spoils in the second event. The host team at the top of the podium were George Richard, Lloyd Allen, and the other team members.

HOW MANY KEEP THEIR SAVINGS IN A BANK?

Probably all of them. There are 10 million savings deposit accounts in the chartered banks, by far the most popular type. They are used by all sorts of people—wage-earners, businessmen, housewives, farmers, students—who know their money is safe, earns good interest, and is available whenever needed. And they like the efficiency and courtesy of the men and women who serve them. Your nearest branch is the place for your savings—and the one place you can do all your banking.

PARISH MEETING
The annual general meeting of the St. Paul parish was held on Sunday, January 24, at 8:00 p.m. in the parish hall. The meeting was presided over by Rev. Fr. [Name]. The meeting was attended by a large number of parishioners. The meeting was a success and all business was transacted.

United Church Women Group Installed St. Paul Presbytery

A historic occasion for the United Church Women Group was the installation of the St. Paul Presbytery on Sunday, January 24, at 10:00 a.m. in the parish hall. The installation was presided over by Rev. Fr. [Name]. The installation was attended by a large number of members of the United Church Women Group. The installation was a success and all business was transacted.

Toughest Battle Of Them All
The third event of the St. Paul Spiel was the game to watch. At Douglas St. Paul swept the board in the final of the St. Paul Spiel. The game was played at the St. Paul Spiel. The game was a success and all business was transacted.

Precision Wins Toughest Event
The fourth event is classically known as one of the toughest to win. President Casey Kozlovsky won it by hook and crook at the St. Paul Spiel. He and his men had to play four games during the day. A tough nine-hour grid. The "Bever" is known up front with Jack McRae, third, Mike Yonke, second and Albert Poirier in the lead. Ted Jodan of Glendon was the runner up. With him are Carl Kozlovsky, Bill Kozlovsky and Sam Filipek.

St. Paul Agricultural Society

At the annual meeting of the St. Paul Agricultural Society, held last night at the Hamilton Hotel, the members of the society who have been holding the 10th annual meeting of the society in the city of St. Paul, Minn., were held in the city of St. Paul, Minn., and it was impossible for them to continue their business because of the lack of support from the general membership at large.

When the news leaked out to the St. Paul Chamber of Commerce, concern was expressed and the majority of the business men in town felt that an effort should be made at reviving the Association or at least holding the matter over until something could be done.

The necessity of holding the St. Paul meeting on the 1st of March precipitated a special meeting of the members of the St. Paul Agricultural Society and the Chamber of Commerce last week.

NEWS AND VIEWS FROM YOUR CO-OP

The annual meeting of the St. Paul Co-op will be held in the Legion Hall on March 15th. The National Farm Bureau's central and international film "The Farmer and the Supermarket" will be shown at 7:30 p.m. in the business part of the meeting commencing at 8 p.m.

At the meeting plans for the new store with the architect's drawings will be made public. A resolution to change the share value from the present \$25.00 per share to \$1.00 per share will be presented for the members' decision. If the resolution is passed, it will mean that for every \$25.00 share a member now holds, he will receive twenty five \$1.00 shares. The reason for this change will be fully explained at the meeting.

At the Board of Directors' meeting held in March, the directors approved (1) new membership applications received since the beginning of the year.

After a detailed study, the directors approved the financial statement for 1960. It is necessary to be measured in dollars and cents, and then the total turned out to be a most successful year both in volume of business done and net savings attained.

The directors were concerned, the members' purchases were the previous year's. The directors were concerned, the members' purchases were the previous year's. The directors were concerned, the members' purchases were the previous year's.

Federco Comes Through Difficult Year During 1961

OTTAWA, C.C. — The Federco Federer, serving 35,000 families in the province of Quebec, came through 1961 with volume of sales increased to almost \$12,000,000, but with volume considerably reduced to little better than the break-even point. The operating success on the Federco was a reflection of the difficulties and adjustments of the agricultural industry in Quebec.

One of the major factors troubling the Federco are price increases in the dairy industry resulting from various production and a deficiency of livestock products, especially in milk — which were 10 per cent lower in Quebec than in 1960. In spite of these problems the annual report states that "the Federco continued the year without these troubles affecting either the efficiency of its services or the strength of its resources." The Federco, with 20 affiliated stores in Quebec, is one of the largest multi-purpose agricultural co-ops in North America.

If you look in on any COMMUNITY

... you'll find friends and neighbours who have a lot in common. Together, they take part in community activities and enjoy each other's company in a variety of ways.

If there's a CO-OP in your community — many of your neighbours must have similar ideas about shopping, too! You see, this is THEIR business — they own it together! From its equality to its service, the entire CO-OP atmosphere reflects the ideas of this group. If you enjoy life in CO-OP shopping — it's your pleasure part of progressive community life.

The large team under the CO-OP banner has recently been growing. Now, the CO-OP banner has been placed on the CO-OP banner.

John A. Carmichael, who served on Alberta's Rural Commission on Education, said that a minority report regarding the existing system of education in Alberta should be a serious statement as to the future of the province. He said that a group of school boards in Edmonton, including the St. Paul School Board, were asked to prepare a report on the future of the school system. The report was submitted to the Minister of Education, Mr. H. H. Brown, and was published in the St. Paul Journal.

The Minister of Municipal Affairs, Mr. Brown, has received the report from the school boards. He said that the report was a very good one and that it was a very good example of the kind of work that school boards can do. He said that the report was a very good example of the kind of work that school boards can do.

It is clear that the Government has no intention of instituting any radical educational reform. Instead, the Government has apparently decided to make the school boards the "fall guys" for educational criticism. Mr. Brown has said that the school boards are the "fall guys" for educational criticism.

I have said for years that education in Alberta is in a very bad state. I have said that the school system is in a very bad state. I have said that the school system is in a very bad state.

The reason education costs so much money in Canada is that Alberta has led the country in its expenditure on education. The reason education costs so much money in Canada is that Alberta has led the country in its expenditure on education.

That is what is costing the province so much money. And that is why even from the Department of Education, the local school boards by taking away local election responsibility, the Government will encourage more superfluous staff and more costly bureaucracy, and therefore more waste and more cost than ever.

At the time that school divisions were forced upon the people of Alberta, it was said that it would result in more educational costs. The facts show that it is a gross exaggeration. In school divisions, the cost per pupil was \$17.43 in 1950 and \$17.43 in 1950.

Income Tax Doesn't Favor Co-ops

Dear Sir: The members of the St. Paul Co-op, a properly elected co-operative, are very much interested in the fact that the Income Tax Act does not favor co-operatives. The members of the St. Paul Co-op, a properly elected co-operative, are very much interested in the fact that the Income Tax Act does not favor co-operatives.

What is bothering me is that the Income Tax Act does not favor co-operatives. The members of the St. Paul Co-op, a properly elected co-operative, are very much interested in the fact that the Income Tax Act does not favor co-operatives.

For example, in 1950, the St. Paul Co-op, a properly elected co-operative, was assessed for income tax at a rate of 10 percent. The members of the St. Paul Co-op, a properly elected co-operative, are very much interested in the fact that the Income Tax Act does not favor co-operatives.

With my hopes being so high, I am sure that the Government will do its best to help the co-operatives. The members of the St. Paul Co-op, a properly elected co-operative, are very much interested in the fact that the Income Tax Act does not favor co-operatives.

Department Of Lands And Forests

Public Notice

AUCTION SALE OF SCHOOL LANDS AND PUBLIC LANDS No. 3-42.

Public notice is hereby given that the following amount of land will be offered for sale by Public Auction ONLY at 3 P.M. at the place and on the terms hereinafter mentioned. No bids submitted prior to the sale or at a place other than the place specified are acceptable.

LANDS WILL BE SOLD TO PERSON BIDDING: HIGHEST AMOUNT PER ACRE.

TERMS AND CONDITIONS OF THIS SALE. WILL BE AS FOLLOWS FOLLOWING THE LAST LAND LISTED.

Under the terms of Chapter 10 of the Second Session of the Alberta 1855, no person engaged by the Government or by the Legislative Assembly of the Province of Alberta, whether employed in government or not, nor any person, or any one, or any of the Crown lands.

[illegible]

CONDITIONS OF SALE

The sale will be subject to the following terms and conditions:

The department reserves the right to withdraw any of its timber lands from the sale or to include any other lands therein.

Lands sold are to be used exclusively for existing silviculture, forestry or other land uses as determined by the surveyor or such redesign as made by the provincial authorities prior to issue of patent. The areas of lands sold are subject to adjustment of boundaries after the completion of the survey.

Purchasers of timbered lands must take a permit under the same dues and fees before cutting any timber except their own use.

Sand or gravel must not be removed from the lands sold unless permit has been obtained from the proper authorities at the rate of payment made of the required fee and dues.

The sales will only convey the surface rights of the lands.

GOOD YEAR TRACTION SHOE-GRIP TRACTION TIRES

The "traction-shoe" forms more barometer into grip, working power. Longer, deeper lugs actually work, and the tread pattern provides a variable grip that adapts to the road. Result: faster work, lower fuel cost per mile of work done.

GOOD YEAR STUDIED SHOE-GRIP TRUCK TIRE

For top traction, for versatility, for the best truck tire for you. Good Year designed the "traction shoe" tread pattern to give you the most traction you can get on any road.

Agricultural Society Meeting

Last week we ran an advertisement and a front page notice concerning a special meeting of the St. Paul Agricultural Society is calling for Friday, March 30th, 2:00 p.m. in the Knights of Columbus Hall.

This extra special meeting as it is described is a very important one. The future of the Agricultural Society and the St. Paul Exhibition grounds and all its assets are at stake.

For that reason, every farmer, citizen and business man in the Town of St. Paul should make it a point to attend. Difficulties through adverse conditions, beyond the control of the executive or its members, have most recently brought the society to the point where they must re-assess their complete situation and decide which way they are going to go.

Perhaps one of the factors which has created this situation is the lack of interest on the part of its membership at large. A few executive members have been left with the heavy load of administering the affairs of the Society, promoting the rodeo, one of their big projects without too much encouragement from the ranks and the people of St. Paul.

It is the contention of this newspaper that the Agricultural Society has done a tremendous job in the past in providing exhibition grounds, ball park and the golf course included in the land they own. These are valuable assets no one can afford to lose. The society has most recently been left with a heavy load of administering the affairs of the Society, promoting the rodeo, one of their big projects without too much encouragement from the ranks and the people of St. Paul.

Traffic Outpaces Highways

Even though we continue to spend over \$1,110 million a year on roadbuilding, we still haven't solved the traffic jam problem in our urban areas, says Basil Jackson, a Financial Post feature reporter on highways and highway transportation. As fast as we build new super-expressways they become clogged with ever-growing numbers of cars, trucks and buses.

Local municipalities are really feeling the financial pinch - are looking more and more to provincial governments for grants and subsidies for road and street building. If we are to make headway in solving this pressing problem, we must consider it on a national level, get away from the insular provincial approach that has gone so far in the past. For the time being, the horse and buggy was the chief means of transportation. Only a few municipalities, provinces and the federal government will help us now - if we get cracking right away.

Unemployment Insurance

Question of unemployment insurance was examined by Gallup Poll in February. Seven in ten of those who knew about the plan gave it full or qualified approval. Chief of the reasons for that approval were: it helps those who are out of work get enough to see them eat. "This is an emotional reason for one who could or would wish to dispute."

On less emotional level were reasons advanced by those against the plan as it has evolved over the years: "It encourages laziness in people; too many don't really want to work." "Too many people are abusing it; others, like married women, expectant mothers shouldn't be collecting." "It's badly organized; conditions for making claims are not strict enough." "It doesn't pay enough when one has need of it."

Originally the plan was intended to help insured workers when they were genuinely unemployed. It was financed by deductions from wages and salaries, company payments from employers, and a contribution from the taxpayer. It has been so broadened over the years that public abuse of the plan has become the top complaint against it. What will be the long-range effect on public morality?

Signs of long winter still linger on

It's been one of the longest and harshest winters on record for many years. Over the weekend we experienced what we hope was our last snow storm. The signs of which are still hanging around as the above picture depicts. The heavy snow drifts have piled up along the ditch on one of our country roads and the weathering effect has produced what can be described as the heavy dunes of snow which are visible in the picture.

Patronage Refunds Declared

The Board of Directors will at next night's meeting proceed to announce that as a result of last year's business they would be able to declare a 10% patronage refund on patronage purchases made by members. As an example, they reported that this would work out to a refund of \$34 cents per dollar on a \$100 purchase. The refund would be paid in cash or in a 10% refund on all side and other purchases.

A patronage refund of \$45 was declared on all side and other purchases of \$100 and over.

All members in the St. Paul Co-op Association Ltd. 70 years of age and over who have not already done so are invited to apply for replacement of their share by a new share. The replacement of their share by a new share is a one-time payment of \$10.00. The refund of \$10.00 is to be applied to the purchase of a new share. The refund of \$10.00 is to be applied to the purchase of a new share.

OUR WHOLE FAMILY KNOWS

the difference between shopping and "CO-OP Shopping"

Like thousands of other Co-op families, we found that shopping is different. There's a warm, friendly atmosphere about Co-ops, the kind of feeling you get when you're with neighbors - the satisfaction of working together and of sharing together. We can save in every department - on every purchase, all year 'round.

We can all participate in the satisfying rewards of "Co-op Shopping." There is a difference!

**Co-ops help
keep more money
in our town!**

HOW? Because CO-OPS are always locally owned and controlled.

The savings returned to members, in proportion to patronage, stay in the community and increase the buying power. This is putting into practice the Co-op principle of ownership and control for the benefit of all. Whatever the great advances of the coming years may be, Co-operatives can be used to distribute the benefits of progress to the people.

**MAKE
THE
MOST...**

**OF YOUR
STUBBLE CROPS**

For the farmer who has a stubble crop, the best way to get the most out of it is to use a fertilizer. The CO-OP Fertilizer is a complete fertilizer, containing all the essential elements for plant growth. It is easy to use and gives excellent results. The CO-OP Fertilizer is available in 50 lb. bags and 100 lb. bags. The 100 lb. bag is the best value for the money.

CO-OP FERTILIZERS
FERTILIZER INNOVATIONS CAN BE SEEN!
Leave a sophisticated clerk in the field. You see the difference of fertilizer on crop growth through the season. Harvest the crops with a and a fertilizer will improve the crop.

Set Your Hand to the Plow...

There is just one way to make this land produce for you, and that is to set your hand to the plow. Make your furrows, plant and care for your crops. The harvest is your reward. In the same way to control your harvest of energy and the things in life, let your hand be in the Co-Op. When you have a number of your hand in the Co-Op, you have a number of your hand in the Co-Op. HOW MUCH DO YOU KNOW ABOUT The N.D.P. Doctrine?

A copy of the Party Program may be obtained from Mr. Oscar Belland, c/o Mr. Steve Dorschner, of Prairie House, or Mr. Edward J. Thomas of King Lake, Alberta. An identical copy may be procured from the Cultural Information Centre, St. Paul. It is the National Indian Party's policy to support any such activities made to be as complete as possible. It is a single member of the N.D.P. has any such activities and how we will provide to be the extent of the law any such Public Law. Moreover any such points working for the Canadian N.D.P. will be continued as long as the Canadian N.D.P. volunteers are willing to continue their good work.

Too Much Rain

The deluge of precipitation we have been getting the past week has just about reached the saturation point as the crop situation is concerned. The extent of our patience has almost been reached. Again this week it was wrecked the chances of success for the St. Paul Rodeo promoted by the Agricultural Society. The steady rain of the past week dampened the enthusiasm, all but for a ray of sun Sunday which was finally quenched early Monday morning with torrents of water. Almost two inches less than half an hour and after it was finished, the countryside was completely soaked.

At five o'clock, we got up to check if the St. Paul Journal had floated away and found other than in rubber boots, early in the morning, just making sure the thousand and one leaks which were growing in many places were not getting out of control.

On Monday morning the Department of Public works was busily answering calls and checking up on washouts on roads which are too numerous to mention. Never has a run off of water been so heavy. The low spots in the fields, saturated with the heavy precipitation just spilled over the roads and overnight, a thousand and one little rivulets were born, along with ditches flowing like rivers, emptying into the lakes and rivers. St. Vincent Lake has risen a good two feet and the shore line reached out to the doorsteps of more than one cottage. The corduroy between the lake and road now had to be forded in four inches of water.

The Beaver River, usually a quiet little stream, swollen and flooded its banks, reaching for into the low lands to inundate the fields and destroy the seeded land hugging its banks.

A continuation of this heavy rainfall in the district threatens early wheat crops. The heavy precipitation has caused the wheat to be waterlogged and the grain is being lost. The wheat is being lost in the fields and the grain is being lost in the fields.

The Agricultural Society, always riding a wave of tough luck, were forced curtail their rodeo and at the time of writing were planning to go ahead with a modified version of the rodeo on Monday night. Wednesday. Although the weather looked slightly more promising Monday afternoon, the soaked condition of the grounds, especially in the soft coral area, prevented the event from starting. Unfavorable weather forecasts were also a deterrent.

It never rains, but it pours, is an old saying which proved itself quite true in the past weeks. Farmers are looking for a ray of sunshine from both an economic point of view and for the sake of recreation. It's going to be a mighty short, dreary and dull summer if the weather man doesn't turn the tap of rain off.

Elections June 18th

The four candidates of the Federal Constituency of Athabasca in the final leg of a campaigning before the election of June 18, stepped up their efforts, appearing and exerting the pressure in the larger towns of the Constituency in an effort to capture and capitalize on the conservative vote.

Joe Mikkelsen, the Social Credit candidate, expanded his platform with the help of Hon. Raymond Robertson at a meeting Monday night in the Legion Hall.

The Farmers' Union are sponsoring an all-Canada meeting, on Thursday, June 14th (tonight) when four campaigns having accepted the invitation should be interesting.

On Saturday evening, Jules Van B. ran a bit working to re-instate the Liberal Party in the constituency, mounts the rostrum at the Legion Hall. The meetings have been well advertised, and it is our recommendation, considering the important issues at stake, that you take an interest in what your candidates have to say and how they account for their stands and themselves in order to cast an intelligent vote. This election is turning out to be one of the most crucial for the welfare of Canada.

We are not going to be rash enough to make any predictions, but can say we are certain of one thing: the campaign has been a lively one. Insofar as the winner is concerned, it will be a toss up between two of the candidates, we feel have a chance of winning. Only Monday's results will tell. Make sure you have a hand in deciding, by casting your vote and exercising your franchise as a free citizen of a democratic country.

ACTION! EXPORTS MEAN JOBS

World shipping has to adjust up these days to lead Canadian wheat, a result of the action policies of Prime Minister Diefenbaker's government. These are facts: Aggressive export sales have made Canada top wheat seller in world markets (of which Canada now holds 35%). Wheat surplus has been reduced 42%, Cash advances available for farm-stored grain. Unhatched grain assistance... drought relief... crop insurance... all introduced. Proof of great strides toward taken by the ACTION government of Prime Minister Diefenbaker.

J. BIGG WINS AT HABASCA PROGRESSIVE CONSERVATIVE

Kohlman Rodeo Queen Jules Van Brabant

With five votes yet to be recorded of 231, and the advance polls to be tabulated, the count, Wednesday morning, stood at 9,531 for Jack Bigg; 5,321 for Jules Van Brabant; 4,482 for Joe Mikkelson and 1,282 for Pierre Vallee.

THE FEDERAL CONSTITUENCY OF ATHABASCA fell in line with the provincial trend and went Conservative again, electing Jack Bigg of Westlock to his second term of office. He won over three other opponents - Joe Mikkelson, Social Credit of Athabasca; Pierre Vallee, NDP from St. Lina; and Jules Van Brabant, Liberal of St. Paul.

With five votes yet to be recorded of 231, and the advance polls to be tabulated, the count, Wednesday morning, stood at 9,531 for Jack Bigg; 5,321 for Jules Van Brabant; 4,482 for Joe Mikkelson and 1,282 for Pierre Vallee.

Jack Biggs Wins In Athabasca Riding

(Continued from page 1)

Two of the candidates, Mr. Mahabon and Pierre Vallee, had their 2500 deposits being failed to post had the votes registered by the voters.

Approximately 20,571 of 28,000 voters on the list of the Federal Constituency of Athabasca had voted. The record is one of the best turnout following an intense and early campaign conducted by the four candidates who spent the last two months touring in almost every part of the constituency of Athabasca considered one of the largest in the country.

The St. Paul candidate, Mr. Jack Biggs, won the seat on Monday night at his home in St. Paul, Alberta. He was the only candidate who had not been defeated in his own riding. He was the only candidate who had not been defeated in his own riding. He was the only candidate who had not been defeated in his own riding.

Mr. Biggs spent the evening in his home town of Westlock and left grateful at having received a second mandate from the people of Athabasca Constituency. He expressed appreciation for the support received from the rural areas where the strong vote in favor of the Conservatives rallied government's policies on agriculture, forestry and the majority of farmers in this constituency and the western provinces are more than satisfied with Prime Minister Diefenbaker's farm administration.

Effect Of Bank Overdraft On Business

The announcement by the Chartered Banks that no overdrafts will be permitted or honored after the first of September has been received with mixed emotions from the business men of this town.

While making our regular calls last week, a cursory survey was made to assess the effect this new money restriction will make. An estimated place about 90 percent the number of firms who have been using the overdraft method of doing business. It has proven convenient to make large discount purchases of stock for profits that offset the short interest period paid.

There is no doubt that the overdraft system has tended to make some businesses careless in their operations and many have had to be warned to slow down with the threat of being cut off. Some of these businesses have been specifically placed on a limit.

One business man told us that he is already cutting back his inventory until he can catch up with the loan he has to make to square off his overdraft by the first of September. Another said that he will restrict his stock and consequently cut down on the quality of service he was able to provide before the overdraft. Yet another said it is not a bad thing. It will force the border-line cases to operate more efficiently and after the inconvenience of the transitional period has been overcome, might prove a benefit all around in keeping business solvent.

Although the no overdraft edict came at about the same time Prime Minister Diefenbaker announced his austerity program and cut back in spending, the move had long been in the planning stage by the Chartered Banks and it is only a coincidence they are simultaneous.

A banker told us that the system of Bank overdrafts has been abolished in the States years ago and Canadian bankers decided it would help them out to follow suit.

Overdrafts are a big source of accounting trouble for bankers and they feel, time and money will be saved by them. In lieu of overdrafts, the banks are suggesting and offering loans. This again favors the banks. It may not be too convenient for firms to rush to the bank every time they are a nickel short. Consequently, again we have curbing measures on spending. Loans, it is believed, will cost business more in the long run and bigger returns for the bank. A person requiring \$200.00 will naturally borrow \$500.00 to make sure his cheques do not bounce and he will pay interest for the full term of the loan compared to a few days or a week if it was in the form of an overdraft. The same interest was being charged on either.

It has been pointed out many times by economists that we are living on credit and beyond our means, probably the reason why Canada's economy has suffered to the embarrassing extent of having to go on an austerity program and borrow money from the International Monetary Fund.

Agreed that we may have come to the drastic point where spending has to be curbed, the restrictions on money now being imposed by the government and the chartered banks are bound to have an adverse effect on the economy. This is going to be more unemployment with the cutbacks this winter.

Frankly, we the common people, don't know too much about what is going on at the political economy level, but assuredly there is something wrong and the sooner the politicians and Mr. Diefenbaker who heads our government gets out of bed and does something about it, we are heading for some real trouble.

Dad and Mom are There Too!

Do You Know Baby?

Baby is influenced by his parents in many ways. Do you know a baby is crying long before he is able to utter a sound.

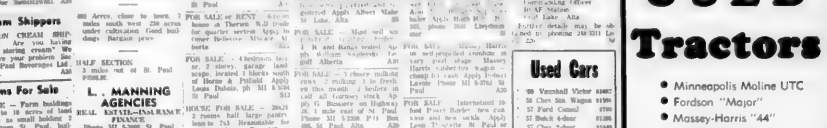

Baby will naturally follow his mother's unconscious mind of approval, but might show signs of disapproval, and the mother or father will know the baby's reaction whether she is a good girl or a bad one, and in regard to his conduct.

Parents can do much more for their THROUGHTLESS recommendations of books, plays and other entertainment that could result in poor development of their child.

Van Vleet - Van Vleet, a beautiful ceremony was held at St. Joseph's Chapel, St. Paul, Alberta, on Sunday, September 2, for the wedding of the daughter of the late Mr. J. L. Van Vleet of Edmonton and the daughter of the late Mr. J. L. Van Vleet of Edmonton. The bride was Miss Mary Van Vleet, daughter of the late Mr. J. L. Van Vleet of Edmonton, and the groom was Mr. J. L. Van Vleet of Edmonton. The ceremony was officiated by Rev. Fr. J. L. Van Vleet of St. Joseph's Chapel. The wedding was a beautiful ceremony and was attended by many guests. The bride and groom were married in the chapel and then had a reception at the home of the bride's parents.

For her daughter's wedding, Mrs. Van Vleet gave many gifts to the bride and groom. She also gave them a beautiful wedding dress and a beautiful wedding veil. The bride and groom were married in the chapel and then had a reception at the home of the bride's parents.

RIDE then DECIDE!

Take the wheel—get the feel of it! In comfort, operating ease—and power!

For a great new experience in farming, just try powering your work away with a new International. For a "refresher" in all that's new and best in farm power, just try a new International! Only in the tractor seat, on your job, will you fully appreciate all that a new International means to the modern farm business. Nothing helps more the farmer like a farm at the wheel. Ride, then decide!

The world's largest manufacturer of farm equipment invites you to try the new International of your choice on your own farm. If you'll double back, I already want you to arrange a free demonstration, on our way.

Mr. and Mrs. Leo Edwards of Leduc, Alberta, are the proud owners of a new International. They were guests of Mr. and Mrs. Jack Smith of Leduc, Alberta, who were guests of Mr. and Mrs. Jack Smith of Leduc, Alberta, who were guests of Mr. and Mrs. Jack Smith of Leduc, Alberta.

OLD HOSPITAL BUILT IN 1926 AND 1930

The old St. Theresa Hospital pictured above dates back to 1926 when the main entrance and the wing on the right were built. In 1930 hospital demands for more services necessitated construction of another wing on the left. After patients are removed to the new hospital, upstairs of the building will be turned over to the Grey Nuns for living quarters, while the first floor will be converted for staff use. Although the hospital has been rated at 27 beds, it has been expanded to accommodate as much as 70 and 80 patients.

MAIN ENTRANCE AND INFORMATION DESK

On the west side of the new hospital is located the main entrance. Visitors and patients are admitted to a spacious waiting room facing the reception and information desk, pictured above. All planned in, it will keep record of hospitalized patients. The attendant will operate the telephone switch board, connecting all departments of the hospital to outside lines. This picture sponsored by the St. Paul Corp.

MAIN OPERATING ROOM

On the extreme front of the first floor is located the main operating room. Described as one of the most modern, it is equipped with the latest for surgery. Large overhead lights adjust in height of a finger. The table, which is said to be the best of its kind, is adjustable in height. Special life, ventilators are designed to reduce completely heated air. At the head of the operating table is the anesthetic machine. There is a secondary or minor operating room, separated from the main by the sterilizing room. This picture courtesy St. Paul Medical Clinic.

THE CASE OR MATERNITY ROOM

Isolated from the main of the hospital, the case room is on the second floor directly above the main operating room. Not quite as large, it is nevertheless of the same efficient design, ensuring comfortable delivery for the mother. Picture courtesy St. Paul Medical Clinic.

Congratulations TO THE Grey Nuns

FOUR GENERATIONS

Private Bedroom

Comfort, rest and pleasant surroundings are the keynote of the private bedrooms in St. Theresa Hospital. The beds are electric and can be automatically lowered to ordinary bed levels to permit patients to rise with a minimum of effort. They raise up to working levels for convenience of nurses administering the sick or the able making up the beds. A light system has replaced the old heavy and signals are acknowledged from the stations while the nurse is on her way. Picture courtesy of Dr. J. A. McNamee, Ophthalmologist, St. Paul.

School Bus Responsibility

More than 2600 school buses are again operating over Alberta's highways and roads. All motorists and train crews should take careful note of this and operate with extreme care.

Alberta's law requires all traffic from either direction to stop when a school bus is receiving or discharging passengers, except traffic from the opposite direction on a four-lane divided highway.

When school authorities request the license number of vehicles that do not stop as required the police are notified and action is taken.

The law requires that a school bus must bear the sign "SCHOOL BUS" and the driver of the bus is required to activate the alternate flashing warning lights in sufficient time to give adequate warning to the travelling public.

During the month of June, reports were being alleged that some school bus drivers were failing to activate their alternate flashing lights prior to stopping to load or discharge children. School bus drivers should be meticulous in activating their alternating flashing lights well in advance of the stop. This is the only way in which the drivers of other vehicles can learn that the school bus is going to stop to discharge or load boys and girls.

It is an offense for the school bus driver to fail to activate the alternating flashing lights, just as it is an offense or a failure to pass a school bus while such lights are flashing.

By all of us driving carefully and courteously and within the law we can minimize and possibly eliminate any danger to Alberta's most precious cargo.

Leave Them Alone

Fish and Game offices in the department are still getting telephone calls from a few week-end visitors asking what should they do about the deserted deer fawn which they "rescued" from the woods one week-end and brought home in the family car.

What indeed... In the first place the young animal should have been left in the woods. Not only is it a disservice to wildlife to remove it from its home, but it is illegal to "molest," "disturb" or "handle" game animals or migratory or game birds without the proper authority. In the case of a deer fawn, if probably rested in the place where its mother had left it. Safety from predation for young deer often lies in "staying put" in some concealed place.

Their immature bodies do not provide any bearing scent and since most of their natural predators take their noses or hunting, a slim margin of safety is thus provided. Furthermore, since human scent is usually repulsive to animals, a human specimen that has been submitted to man handling may actually be deterred by its parents.

Fish and wildlife authorities implore woods treppers to resist the strong temptation to make pets out of appealing animal youngsters. All wildlife creatures resist confinement and some find death preferable to captivity.

Tooth Decay Reduced

Fluoridation of city water in the past five years has reduced tooth decay among children by 35 per cent, according to a statement of the St. Paul, Minn., Health Department.

Two dental surveys, involving 28,000 elementary school children, were conducted on 20,000 elementary school children in the 5-15 age bracket. The results showed a 50 per cent increase in the number of children with decay-free permanent teeth and a 17 per cent drop in the number of permanent teeth missing.

Too bad this is not St. Paul, Alberta, Canada, where two plebiscites were wasted on the fluoridation issue and children starting school this year are being given voluntary fluoride "painting" to prevent decay. We're still hoping.

HEALTH NOTES From The NEA Health Unit

CHILD TRAINING. The young child, graced with plenty of naturally sweetened smiles, is in his own little world. He is a creature of habit, and his habits are generally regular and of good nature. He has been brought up in a pleasant experience.

Children need lots of sleep. The average baby who sleeps 14 to 15 hours a day to sleep 12 to 14 hours from four to six to 12 hours. There are some exceptions, of course, and there may be variations. The daily other child will sleep 10 to 12 hours a day, and the child will sleep 10 to 12 hours a day.

Naturally a child in this age group will sleep deeply and soundly. If there are variations or repeated periods of restlessness, something is amiss and should be corrected. After he has been put to bed, he should not be picked up or immediately put to bed. He should be left alone until he is asleep. If he is not asleep, he should be left alone until he is asleep. If he is not asleep, he should be left alone until he is asleep.

Hon. Ray Reiersen Officially Opens New St. Brides School

St. Brides, Saskatchewan. A great crowd gathered for the official opening of the new St. Brides school, which was held on September 19. The school was built on a site donated by the St. Brides community and was designed by the architect, Mr. J. H. Brown. The school is a two-story building with a total area of 10,000 square feet. It contains 12 classrooms, a gymnasium, a cafeteria, and a library. The school was officially opened by the Hon. Ray Reiersen, Minister of Education, who arrived in St. Brides on September 19. He was accompanied by his wife, Mrs. Reiersen, and a number of other officials. The school was opened with a series of exercises, including a prayer, a reading of the opening prayer, and a presentation of the school to the community. The school is now open for the new school year, and the first day of classes was held on September 20.

OBITUARY

Mr. & Mrs. John Rocco

On September 22, Mrs. John Rocco, nee Mary Ann Thompson, passed away at the age of 70 years. She is survived by her husband, Mr. John Rocco, and three children: Mr. John Rocco, Jr., Mr. John Rocco, and Mr. John Rocco.

The funeral service will be held at 10:30 a.m. on October 5, 1962, at the St. Paul Methodist church. The burial will be in the St. Paul cemetery.

Babies By Rocco

Mr. & Mrs. John Rocco

The Rocco family has welcomed a new member, a baby girl, on October 3, 1962. The baby is the first child of Mr. and Mrs. John Rocco. She is named Mary Ann Rocco.

The baby is healthy and is expected to live. The Rocco family is very happy and grateful for the birth of their new daughter.

Women Busy Making Winter Streets Being Supply Of Snowcrust

Mr. & Mrs. John Rocco

Women are busy making snowcrust for the winter streets. They are using a special machine to make the snowcrust. The snowcrust is used to cover the streets during the winter months.

The snowcrust is made by mixing snow with a special mixture. The mixture is then pressed into a crust. The crust is then used to cover the streets.

Streets Being Modernized

Mr. & Mrs. John Rocco

The streets are being modernized. The city is spending a lot of money on the modernization of the streets. The modernization includes the repaving of the streets and the installation of new streetlights.

The modernization of the streets is a long-term project. It will take several years to complete. The city is committed to making the streets modern and safe.

TOTAL LOSS

Mr. & Mrs. John Rocco

A child was killed in a fire. The fire started in a room of a house. The child was sleeping in the room. The fire spread quickly and the child was killed.

The fire was caused by a faulty electrical wiring. The wiring was not properly installed. The fire department was called and they arrived at the scene. They found the child dead.

Toothpastes And Dentifrices

Basic dentifrice ingredients usually include soap or detergent, mild abrasives, fluoride, colorants, and flavoring. Other ingredients such as soap, abrasives, and many toothpastes have been added in recent years. The latter were added "fashionably" being used for a short time accompanied by big advertising promotions, then dropped for something else.

Toothpaste's main purpose is to provide a pleasant cleaning action for the teeth. It is the toothbrush that does the real cleaning, and the toothpaste is to assist in the cleaning of the teeth and to provide a pleasant taste.

Fluoride dentifrice may be

of some value in dental practice. The dental "nightmare" is the tooth that is not cleaned properly. The dentist's job is to clean the teeth and to prevent the tooth from being damaged by decay.

"Tooth dentifrice has apparently overcome this problem and has been granted the status of a dental hygiene product. It is a product that is used to clean the teeth and to prevent the tooth from being damaged by decay.

In any event, applying fluoride to the teeth through toothpaste is not considered to be as effective as applying them through the dental water or as a dental fluoride treatment.

Fluoride can be applied to the teeth in a number of ways. It can be applied to the teeth in a number of ways. It can be applied to the teeth in a number of ways.

Floods Form Londs

North Eastern Alberta could very well be turned into a land of rising waters this year, as many lakes have extended their boundaries above normal shore lines.

The Municipal District of Bonnyville No. 17 was faced with a serious problem when Flat Lake rose to such an extent that it was over 600 acres of farmland.

In order to leave the lake level, 2,000 foot dikes had to be built, at places to a depth of fifteen feet, so that water could be drained into the Rump Creek, and flow down to the North Saskatchewan river.

The project was undertaken on the farm of Angus Ross, on the shore of Flat Lake, and the work was completed in the spring of 1961.

The work was done by the Rump Creek Drainage Board, and the cost was \$10,000.

CHILD TRAINING
Building Good Habits
How can I help my child? You're not alone. Many parents are asking this question. The answer is simple. It's a matter of training. Training is the key to a child's future. It's the way to help him develop good habits and avoid bad ones. It's the way to help him become a responsible citizen. It's the way to help him become a successful adult.

This five-year-old reaction to failure is a really serious matter. It's a matter of training. Training is the key to a child's future. It's the way to help him develop good habits and avoid bad ones. It's the way to help him become a responsible citizen. It's the way to help him become a successful adult.

Parking Tickets

There is a big tendency to feel resentment and personal affront when one finds a parking ticket on the windshield of his car. But there usually is no question that an infraction has been committed and the recipient is almost always in the wrong. Perhaps he didn't mean to stay so long when the clock ran out, but he was unavoidably detained, but still the ticket is there.

The thought is a reflection from a discussion which came up at the Monday Chamber of Commerce meeting when an out-of-town person brought to the attention of the Chamber that he felt discriminated against because he was parking in a lot. The person then left asking him to remain as soon as possible or suffer the consequences.

Out of curiosity we had the secretary read the letter that was sent to the violator, omitting of course references to names and place.

From our point of view the letter that had been sent by the police on behalf of the town was very reasonably worded, much more so than any of them we have received from Edmonton, Lloydminster and other cities which make no bones about collecting the fines due them.

We have been ticketed, and can understand the feeling of frustration. We did not intend to break the law, but there is no question that we were negligent and there was nothing left to do, but pay up.

The Chamber of Commerce, the Town, and the business men in particular are very concerned about public relations. They want their customers to come back as often as possible, parking parking developing into a major problem, even in the small towns like St. Paul and there has to be some control.

The streets must be cleaned off and periodically it is necessary to close them off to traffic and parking. As little time as possible is taken for the least provocation.

Business men and the Chamber of Commerce have gone to bat many times for the motorists, advocating by-laws with a minimum of control in favor of the shopping public. When there was some discussion of banning half-ton trucks with boxes off main street, it was the business men who held off saying that the farm trade is important and the least provocation the better.

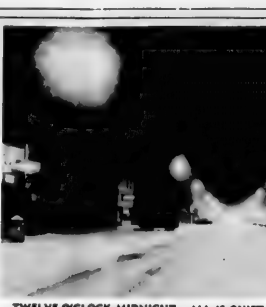

Although none of us are criminals, we all have a tendency to stretch the traffic rules and test them to their limit. When we do so, the risk is ours and we should pay up, perhaps much the wiser for the experience, with the resolution to be more careful and observant in the future.

Business Prospects

Evidence is piling up that pushy new growth in the Canadian economy probably won't be seen again until some time next year. There has been an ominous slowdown in industrial production, retailing, and gross national product — and that, say most forecasters, is usually a prelude to recession. But the prospect for the next year is far from alarming. From all indications at the moment, the downturn could be one of the shortest one of the postwar years — one that is barely visible to the corporate eye.

Here are some of the main reasons why 1963 may be, for most firms, little more than a pause in progress: Unemployment is currently seen-sawing up and down — a much healthier portend than the steady climb which was under way at a similar point during the last business expansion. After 20 months of business expansion, unemployment is still close to its 1960 low point of 5.6 per cent. The economy — sharp contrast with 1959 (also the second year of business expansion) when unemployment began a trending up after only 17 months of economic recovery.

The present prospect: Fewer job-hunters this winter than last, less, or at least, level of unemployment, seasonally adjusted, well below the record 7.6 per cent touched during the last recession. Another reason to expect any downturn to be on the mild side is this: Corporate action, particularly in the manufacturing sector, is increasingly expansionary. By dropping its production to 4 per cent, the Bank of Canada indicates that austerity is not just receding and probably is likely to produce a better climate for business in now being pursued. It signals lower interest rates throughout the economy and confirms predictions that borrowers might soon find bank loans appreciably easier to get.

Twelve O'clock Midnight — All is Quiet

The lights on St. Paul's main street are reflected brilliantly on the first snowfall of the year last week. Above: Twelve O'clock Midnight for this greater expansion. On the right is a bank of snow and recently new buildings which have filled in the block between the Cows and the Imperial Liquor, creating an imposing modern section of town.

CO-OP Think It Over

Dear Sir:

"CO-OPERATIVES AND CANADIAN OWNERSHIP" or "MONEY DOWN THE DRAIN" are two alternatives open to Canadians today. A study of ownership of Canadian petroleum industries reveals that 96.17 percent of all petroleum sold in Canada is owned and controlled by foreign capital. As a result, profits that conceivably could be used to develop Canadian communities are going across our borders. Only 3.8 percent of the entire petroleum industry is now owned by Canadians. The largest Canadian now is the membership of retail Co-operatives who own the Federated Co-operatives Ltd. petroleum refinery in Regina, its capacity constituting 2.21 percent of petroleum sold in Canada.

Would you suggest that Canadians are retaining their fair share of the nation's ownership in the petroleum industry?

FARMERS' UNION Newsletter

The Hon. Albert Hamilton, Minister of Agriculture, has announced that the Farmers' Union of Alberta will be holding a special convention in Regina, Saskatchewan, on November 22-23, 1962. The convention will be held at the Regina Hotel. The Farmers' Union of Alberta is a non-profit organization that represents the interests of farmers in Alberta. It is one of the largest and most influential agricultural organizations in the province. The union's main objectives are to improve the economic and social conditions of farmers and to represent their interests in government and public affairs. The convention will be a significant event for the union and its members, providing an opportunity for them to discuss important issues and to elect new officers.

On Wednesday, November 21, a panel discussion about public ownership of electric power companies will be held at the Annual Convention of the P.U.A. The discussion will feature a panel of experts who will discuss the pros and cons of public ownership. The panel will include representatives from the government, the private sector, and academic institutions. The discussion will be held in the afternoon, following a lunch break. It is expected to be a highly informative and engaging event for all attendees.

In speaking to the Annual Meeting of the Alberta Association of Municipal Districts and Counties, Mr. J. D. Nelson, President of the P.U.A., has stated that the union is committed to the principle of public ownership of electric power. He emphasized that the union believes that public ownership is the most equitable and efficient way to manage these essential services. He also mentioned that the union is currently working on a proposal for the nationalization of the electric power industry. The union hopes that this proposal will be taken seriously by the government and that it will lead to a successful outcome.

Farmers' Union Supports Liberal Power Take-Over

The P.U.A. fully supports the Liberal Party's platform for the 1963 federal election. The union believes that the Liberal Party's policies on public ownership, social justice, and economic development are in the best interests of Canadians. The union has been actively involved in the Liberal campaign, participating in rallies and meetings. The union's support for the Liberal Party is based on its long-standing commitment to social and economic reform. The union believes that the Liberal Party is the only party that truly represents the interests of the working class and the poor.

Inspires Love Of Ships At Yule

Inspire service on Christmas Eve, carrying home the spirit of the season, was the theme of the Christmas Eve service at the St. Paul Lutheran Church, which was held at 7:30 p.m. The service was conducted by Pastor John Smith, who was assisted by the church choir and the St. Paul Lutheran Guild. The service was a beautiful one, with many songs and prayers. The church was beautifully decorated for the occasion, and the service was a great success.

Readers Still Loyal To Diokans Favorite Christmas Story

A Christmas Carol by Charles Dickens was the favorite Christmas story of the readers of the Journal, as shown by the results of a poll conducted by the newspaper. The story was chosen by a large majority of the readers, and it was the only story that was chosen by more than one reader. The poll was conducted by the Journal's editorial staff, and the results were announced in a special section of the newspaper.

Seed Cleaning Plant In Good Shape States Govt. Inspector

Edmonton, Jan. 15 (AP) — A government inspector has announced that the seed cleaning plant at the University of Alberta is in good shape. The inspector, who was on a tour of the plant, found that the equipment was well-maintained and that the workers were doing a good job. The plant is one of the largest in the world, and it is responsible for cleaning a large amount of seed each year.

Card Of Thanks

The Canadian Legion wishes to thank the St. Paul Lutheran Church for the beautiful Christmas Eve service. The service was a great success, and the church choir and the St. Paul Lutheran Guild did a wonderful job. The Legion is grateful for the hospitality and the beautiful decorations.

ONE MINUTE TO GO

In the Toronto station of the CBC, a young girl named Carol was the first to start singing the Christmas carols. She was only eight years old, but she sang beautifully. The other children in the choir followed her, and the service was a great success. The church was filled with people, and the atmosphere was warm and festive.

Christmas Seals

Imparting the first Christmas seal to the first child in the world was the theme of the Christmas seal campaign. The campaign was started by the United States Post Office, and it has since become a tradition. The first child in the world to receive a Christmas seal was a young girl named Carol, who was only eight years old.

ELK POINT SECTION

Elk Point And District News

Mrs. Robert Gray of High Level, Alta., recently visited her mother Mrs. Clara Jones in Elk Point. Also visiting at home were the real Mrs. Lyle and her family of Oak Lake during December 22nd in the Co-op Ladies Club.

Mrs. and Mrs. K. Street of Wainwright, were weekend visitors of the home of Mr. and Mrs. J. Street.

Mrs. Alice Paulsen, with the help of several hand carpenters is erecting a new 10' x 12' shed on the outside of Elk Point. Plans indicate that the shed will be fully furnished and begun in about December 22nd.

Mrs. Alice Paulsen had her home driven on the 18th day of the month when the lady was the lucky winner of a new car.

Best Wishes

Do A. Wainwright, who lives on a farm near Wainwright, was visited by his daughter Doris and her family on the 18th day of the month.

A large number of people, including the family of Mr. and Mrs. J. Street, visited the home of Mr. and Mrs. J. Street on the 18th day of the month.

FARMERS' UNION Newsletter

The week long annual convention of the Farmers' Union of Alberta, which was held in the Macdonald Hotel in Edmonton, is over. The convention, the largest in Alberta, was attended by 150 delegates from nearly all provinces were at one time or another present at the convention hall. It was a well-organized and smoothly run affair.

A general discussion on what should govern the life of Alberta farmers, was one of the main highlights of the convention. The delegates came up with the following resolutions: They considered the present situation of the farmer in the province, the need of the farmer to be able to produce and sell his products at a profit, and the need for a fair and equitable price for his products.

St. Paul's annual convention will be held in Calgary in 1956.

RACE AGAINST WINTER

The Norwegian freighter *Maabekk* steamed from Detroit for the St. Lawrence Seaway on the last Friday night to use the waterway before winter closes it to a standstill. The *Maabekk* was behind a twelve-hour wait in the locks, a wait which was not a hardship in her hull had been pugged up by wooden pilings.

Christmas Greetings

At the dawn of this holy
Festival time
we send these greetings
with love and joy
This happens with love
and joy

And may the angels
bring you peace and
joy to all the
world

Whoever you are
wherever you are
as you are on that First Night
on that

It is the bells ring out
and the snow is falling
and the stars are shining
and the angels are singing
and the world is at peace
and the world is at peace

A JOYOUS CHRISTMAS

Wishes to all
bring you happiness, the Chief Clerk was born. We believe, as Christmas, the wonder and glory upon us as shown with the joys and blessings of the season.

CHRISTMAS GREETINGS

We heartily wish, for you and yours, a most merry and festive Christmas... as filled with the joy of giving as joy to St. Nick himself... as full of happy wonder as the shining faces of children gathered around the tree. May your heart and home be brimming with all the most precious blessings of the Christmas season.

Confidence In St. Paul

It is not usually our policy to comment editorially on the opening of commercial businesses. However, in the case of the Toronto-Dominion Bank...

The confidence the Toronto-Dominion Bank expressed in the future and the faith it places in St. Paul, reflects to a certain extent on the sound economic atmosphere which exists in the town and the district.

It is reasonable to assume that any business and especially a banking firm would not venture out on a strict such as ours before receiving a complete survey of the possibilities which exist.

Just at the time they were considering St. Paul, an offer was made by the St. Paul Clinic for accommodation, all of which fitted in nicely and conformed to the advantage of the Bank, landlord and the community as a whole.

In welcoming the Toronto-Dominion Bank, we do not in any way want to detract from the fine work that has been done by the Chartered Bank, the Canadian Imperial Bank of Commerce, the Provincial Treasury Bank and the Savings and Credit Union.

The confidence of these combined financial establishments is just that much more proof that St. Paul is a well-developed town with a promising future.

Drive Against Polio

Last week the personnel of the North Eastern Alberta Health Unit held a special conference to discuss organization for the Oral Polio (Sabin) Vaccine program which is to start in the Unit on January 21st.

The statement was made that if 80 percent of the population in the Health District were completely immunized against Polio, the disease would eventually be wiped out.

One of the main reasons why an extensive campaign is being conducted against polio and a strong education program is being organized before the campaign to emphasize to every man and woman the importance of the immunization program.

CATTLE IN THE COLD SNOWDRIFTS

Left to find for themselves, this herd of cattle looks from the camera when this picture was taken during the Christmas cold spell. In the interval we have been enjoying exceptionally warm weather.

This is a scene which is duplicated along many frozen rivers and streams where cattle baffle for weeks during cold days.

Information On Oral Polio Vaccine

The following release from the North Eastern Alberta Health Unit is for the interest of the public. It is in reference to the Oral Polio Vaccine program.

The theme of our Oral Polio Vaccine program is to provide a safe and effective vaccine to the people of the North Eastern Alberta Health Unit.

Many children of children and adults who have been vaccinated against Polio are now being vaccinated against Polio.

It is important to note that the Oral Polio Vaccine is a safe and effective vaccine.

Help Wipe Out Polio

And Get Rid Of The Dread Disease Which Used To Be Called Infantile Paralysis

Many millions of children and young adults have now received Oral Polio Vaccine - which is given by mouth. It is being recommended by the World Health Organization. Oral Polio Vaccine (Poliovax) has been used in many countries where the disease has been common. It is now being used in Canada. Following the use of this vaccine, a single case of Polio occurred during the month from April to October 1962. The vaccine has been used successfully in the U.S. and already in other parts of Canada. Now it is in Alberta's hands. Oral Polio Vaccine (Poliovax) is prepared by our own Government Medical Research Laboratories in Toronto. The same Laboratories that make the Salk vaccine which our nurses have been giving by needles in our communities. Oral Polio Vaccine (Poliovax) is now being given by nurses in our communities. Oral Polio Vaccine (Poliovax) is now being given by nurses in our communities. Oral Polio Vaccine (Poliovax) is now being given by nurses in our communities.

A campaign for distribution of Oral Polio Vaccine (Poliovax) will begin on January 21. The campaign will last for two weeks. Nurses announcing time and place of clinics will shortly be appearing.

We urge that you all attend the Clinic in your district and make your contribution to getting rid of Polio from Alberta.
